Wonderful book. The design, the beautiful writing, and it's a touch your heart kind of book. Atticus poetry is asmirationsl to all writers and is so raw and real. Ive been following atticus's work for quite some time, and I can not get enough of this book. Nearly everypage is dog eared in my copy and I read it twice in one day. It really speaks to me. Love it!

Absolutely stunning. I love everything about it. The art and the poetry is just breathtaking. I don't usually do reviews but this is one of those books I have to say something. It takes you away. And its

so raw and full of emotion. If I had two words to describe it I would say it's simply beautiful.

Every feeling you have ever felt can be portrayed in this book. These words speak to my soul and I am so happy that I bought this book. Thank you for writing, I strongly encourage you all to buy this book, and when you get it...sit down with a Glass of wine or whiskey and read.

It's easy to finish this poem book cover to cover, but what's amazing about it is, it doesn't matter how many times you flip those pages, it'll always keep you coming back. Atticus is brilliant, every image and every word in this poem was carefully thought out. A must have!

You can't go wrong with this. The poetry and images are beauuuuutiful. Good work, Atticus.

Beautiful words. Perfect any time of the day. A book that makes you feel everything in your soul. Atticus really stops hearts with this one! So in love with my book! It's a perfect gift for someone else or for yourself. Just buy it! [Download to continue reading...](#)
