# Adorned: Living Out The Beauty Of The Gospel Together

## Synopsis

New book from bestselling author Nancy DeMoss Wolgemuth! Known for her wisdom, warmth, and knowledge of Scripture, Nancy DeMoss Wolgemuth has encouraged millions through her books, radio programs, and conferences. Now she's back with a legacy work on Titus 2 and its powerful vision for women. From Nancy: "Cross-generational community between women is the biblical antidote for being chronically, hopelessly overwhelmed, as so many of us are. When older women come out of their protective cocoons to invest themselves in the lives of younger women, whole families and churches feel the blessing. When young moms and singles widen their peer groups to include women who have already braved the same rapids and lived to tell about it, both sides of the relationship are strengthened and grow. We all, in different ways and in different seasons, need to be on both the giving and receiving end of this life-to-life process. So I invite you to join me as we look to God's Word for His perspective on the character, commitments, and attitudes of godly women and His prescribed process for helping us live out these virtues not only today, but from generation to generation."

Nancy's new book is a call for all Christian women young and old to live out the Titus 2 command of life-on-life discipleship. More than ever, we need women to show us how to live out the gospel in our daily life. Older women, we need you!

Christina Fox Licensed counselor, speaker, author of A Heart Set Free: A Journey to Hope through the Psalms of Lament

This is truly Nancy's legacy work.

Through what feels like a personal conversation, she takes women back to the Greek and Roman culture to grasp Titus 2, and urges us to rise up today to adorn the Bride of Christ. This book will influence the church and the personal lives of women in a way that few books ever have. Dannah Gresh Bestselling author of *And the Bride Wore White* Nancy is one of the women God has used to shape me into a better reflection of Him. Her book *Adorned* crams a thousand coffee shop conversations about life, love, and godliness into a single, riveting book. Women in every season of life need to read it, reread it, and pass it along to the other women in their circle. Erin Davis Women's ministry leader, wife, and momma who would be adrift without the encouragement and support of her sisters in Christ Nancy's practical insight, ageless wisdom, and warm fervor rang like bells through my spirit as I read this book. Both like an alarm waking me and a recurring melody inspiring me to understand again how my womanhood is beautified and can blossom in a multigenerational community of women following the Lord day by day together. Kristyn Getty Hymn writer/singer and mother of three daughters In a world where in-person relationships are becoming the exception rather than the rule, *Adorned* calls the women of the church back to the vital and joyful work of cultivating real-life relationships centered on the gospel of Jesus. I am thankful for Nancy's work to develop a resource on Titus 2 that is substantive, faithful, and practical. Amanda Bible Williams Chief Content Officer of She Reads Truth, author of *Open Your Bible* and *She Reads Truth* With wisdom gleaned over many years of serving the King's daughters, Nancy takes us to Scripture to discover how we can reflect His beauty together. I pray for a wide reading of this important book. Kathy MacDonald Senior Pastor's wife and cofounder of Harvest Bible Chapel --This text refers to the Hardcover edition.

NANCY DEMOSS WOLGEMUTH is the host and teacher for *Revive Our Hearts*, a radio program for women heard daily on over 700 radio outlets, reaching over 1 million listeners nationwide. Since 1980, she has served on the staff of Life Action Ministries, a revival ministry based in Buchanan, Michigan. Nancy has an exceptional gift for communicating biblical truth and has shared her burden for personal and corporate revival in conferences and retreats for over thirty years. Some of her books include *The Wonder of His Name*, *The Quiet Place*, *Seeking Him*, *Choosing Forgiveness*, *Choosing Gratitude*, *A Place of Quiet Rest*, *Lies Women Believe*, *Lies Young Women Believe*, *A Thirty-Day Walk with God in the Psalms*, *Brokenness*, *Holiness*, and *Surrender*.

It seems natural that Nancy, who has helped thousands of women through her ministry and writings, pen a book such as *Adorned* which focuses on the Biblical relationship women should have amongst each other. Using such passages as Titus 2, Nancy explains how younger Christian women should learn from older, more experienced saints and how those older women should invest in younger lives. I would say this book is especially helpful for older women (of all ages!) in encouraging them to share wisdom with younger ones. Of course this book is directed towards women of all ages. I loved how Nancy opened the book, using a description of her wedding- how it looked and how she felt and the love Robert has for her as a picture of the gospel. It is too hard to explain here, but Nancy DeMoss Wolgemuth is has been so gifted in writing that the reader understands and benefits from the Biblical wisdom she shares. I received a copy of this book from the publisher in exchange for my honest opinion.

I downloaded it on My Kindle. *Adorned*, Living out the beauty of the gospel together has been written for all women – young & old. Nancy has not only given us a clear understanding of Paul’s writings in Titus 2, but she also gives us simple, easy ways to live out the beauty of the gospel together! I am more aware of ways to be intentional about being a Titus 2 Woman. Her closing words resonate with my heart: “As we live out the beauty of the gospel – younger & older women together, we will be beautiful & blessed, and, yes, overjoyed. That beauty will spill over into our homes, our churches, our workplaces and communities, and ultimately into our world. I highly recommend this book should be in every pastor’s library or on his desk as a reference & a recommendation for women to read & for them to share with others, including husbands.

Nancy writes in such a way that I feel connected to where she is taking me in the Gospel. She writes the Truth of what God expects of women. If only we listen to what Nancy writes in her books what a difference we could make in our Nation. I recommend this book to women of all ages who want a closer relationship with our Savior. I would also recommend it for women who are looking for a way to be of service in their church, community or just feel the Lord’s call on your heart to serve. No matter your age or experience the Lord can use you. Nancy will show you how Titus 2 applies to you.

I have enjoyed reading every single book I’ve bought of Mrs. Wolgemuth’s over the years. God has given her a great insight into all women’s issues and her books have been a real help to me. I was

so pleased when this one came out that I bought two extras for some dear friends of mine who also like her works.

Fantastic book about the fundamentals of living a life that is focused on what Jesus and God the Father say in the Bible, specifically Titus chapter 2. If I want to know what life is and living to the fullest, then I go to the one who created life and see what He has to say.

Her books are ALL excellent for Christians who take their faith seriously.

Nancy shares her experiences, and others, in such a caring way. She unpacks Titus 2 like nothing I've read before. I found myself making many notes throughout this book, because I don't want to forget ANYTHING. My heart is full of thankfulness and I want to share what I've learned!

Great truths to compliment my Titus 2 study!
