# 10 Things For Teen Girls

## Synopsis

The world is run by teen girls: parents of teen girls, teachers of teen girls, boys trying to date teen girls, feminists who want to empower teen girls, companies trying to sell things to teen girls, and people who have had it “up to here” with teen girls. Chances are if you’re reading this, there is a young woman in your life for whom you desire the very best, and *10 Things for Teen Girls* can help with that. Based on student minister Kate Conner’s runaway blog post, this book answers a lot of important questions: Why should I follow my heart? Should I care what other people think of me? Why are boys only interested in my body? How do I handle my emotions? Am I beautiful? Am I enough? Teen girls have already heard the typical shtick about how they need to dress modestly, or how they shouldn’t care what others think of them, but it doesn’t suffice. Rooted in biblical wisdom and interspersed with candid stories of the modern teenage experience, Conner imparts common (and all too uncommon) sense.

## Customer Reviews

Kate Elizabeth Conner is a 27-year-old writer, speaker, and first generation southerner who spends her days learning braille, counseling teenagers via text message, and adjusting to life in middle Georgia. She is married to a college pastor and has three impossibly beautiful children who only make her crazy 97% of the time. Kate authors a self-titled blog, which received more than three million views in two years, due in part to her viral post, *10 Things I Want To Tell Teenage Girls*. Kate

writes about surviving parenthood, teenagers, and her twenties with her faith and sense of humor intact. She believes in music, coffee, and prose – and in all the world, nothing has taken hold of her like Christ.

I love this book, we are doing a small group with teen girls and I have noticed a difference in everyone of these girls. They have been able to relate with each chapter. Highly recommend to any girls, you don't have to have girls to make a difference in their life. I don't, but by the grace of God we are making a difference! Awesome, awesome book!

My daughter and I are going to read this together. The little I have read so far is fantastic and what every teen girl needs to hear.

GREAT BOOK! I Loved it! :) All teenage girls should read it! If you are thinking about reading this book, think no more! Get this book it is amazing!

Love this book. Kate has a great voice, approaches teen girls where they are, gives good, grounded advice and backs it up with lots of good sense. I'm going to offer it as a summer teen girls class this summer at my church. Can't wait to hear all the great discussion!

EXCELLENT book for young teens! Wish I would've had something liked his when I was growing up. Will definitely buy it for Christmas to give to friends and family!

This book was almost too revealing on issues that my 13 year old daughter said she had NO interest. Maybe I've sheltered her too much. I would recommend for older girls. We didn't get through the 3rd chapter, too revealing.

This book is really wonderful. I would recommend it to ANYONE. Five stars!!!

Great information for teenage girls AND their moms!! Thank you for writing this book!
