Customer Reviews

I loved it Hollywood need to get there check book out and make the movie Paid in full was good but it was missing a lot of story. This movie could be as long or longer than Malcom X the story is real. Y.B.I too from Detroit Hollywood This is a money maker.

I read the whole book in two days. Very interesting about the old school hustlers in NY. Seth ferranti is a good writer.

Very well written

A great book on this almost mythical topic. Good to get insight from those who were actually there to see it and live it.

NICE

Great book

not a bad book but it could have better written

Not a book for myself
