Afeni Shakur The past seven years have been extremely painful watching and listening while others incorrectly attempted to define who my son really was. Now, through patience, the strength of my family, and faith in God, the true story of Tupac is finally being shared with the world. -- Review

TUPAC SHAKUR was born in June 1971. After spending time in the 127th Ensemble, a Harlem theatre group, Tupac Shakur went to the Baltimore School of Arts, where he honed his already

impressive rap skills. At the age of 19 he released his first album, SEX PACKETS, with a band called Digital Underground. After one more DU record, he went solo, and the following five years were his most fruitful artistically. He released a number of classic records including 2Pacalypse Now and Strictly 4 My N.I.G.G.A.Z. In 1995, after recovering from being shot five times during a robbery, he released the two-million copy hit ME AGAINST THE WORLD, and followed that up with the double CD ALL EYEZ, which sold 3 million copies. Shakur also appeared in a number of films, including the Jon Singleton film, POETIC JUSTICE. In September 1996, Tupac Shakur was murdered in Las Vegas. He was 25 years old. --This text refers to an out of print or unavailable edition of this title.

if you have the DVD or you have watched it...then you should have this too.i loved the fact that it has so many photos of Tupac's life.it hasn't something more to give to true Tupac fans that most of the info they get from this book they know it already. but the whole story as it is in the documentary that comes from Tupac's mouth...alongside with all the pics makes this book a must have.

love it

the book reflects much of what is said by Tupac in thr movie. However, there are additional quotes and photos. I'm happy I found this gem. It arrived in great shape. Do buy this book for your personal library, fellow-Tupac-fans!
