Hold Back The Dark (A Bishop/SCU Novel)

Synopsis

An SCU team investigates an inexplicable string of murders committed by men and women with no memory of their crimes in the latest in this New York Times bestselling series. Madness has taken hold of Prosperity, North Carolina. Residents are killing one another, as if in a dream, and waking up with no memory of the monstrous acts they've committed--or why. As the death toll climbs, the local sheriff's department is further rocked by a murder carried out by one of their own. Deputy Katie Cole knows that whatever monster is afoot is beyond her scope...The Special Crimes Unit is called in for their specific brand of investigation. It will take all their training, all their experience, and every extra sense they can call on to get to the bottom of things in Prosperity. And as a dark pattern begins to emerge, even the most experienced and hardened SCU agents have to wonder if this is beyond their understanding.
