The Christian's Guide To Passover: A Seder Haggadah For Christ-Followers

Synopsis

Passover is a holiday that most Christians overlook, but it is filled with rich tradition and meaning not only for the Jews but also for followers of Jesus. During Passover the Jews will read from a Haggadah that sets the order of the Seder meal. These can vary in length and can be quite complex for the uninitiated. The Christian's Guide to Passover offers a simple way for you and your family or group to share a Passover meal together. It combines both the Jewish traditions with the story of Jesus for a meaningful Passover celebration. If this is your first time celebrating Passover or if you have been celebrating it for many years you are sure to gain new insights into the last meal that Jesus shared with His disciples.

Great! Very informative and easy to follow

It was a blessing to read the simplicity of this book in understanding the Passover Meal. I had recently been studying Exodus and this book ties closely with the events of chapters 1 to 12. I would recommend it to others.

Not an in depth study but the perfect little guide for Seder with pictures. Very visual part of the experience.

Everything was as expected

Where's the beef? I'm not sure if this is a book about Christ in Judaism or how to have a Christian Seder. The title suggests the latter. Pick your battles wisely.

I liked this guide because it made me understand the Seder better. VIVIAN COLBERT Now I understand even our Christmas and Easter holidays better.

excellent tool thank you

I just finished my Seder and I will celebrate Passover every year for the rest of my life. This book was right on time for me and as a Christian, connected my Christian faith to Hebrew (Judaic) roots beautifully. Thank you for making it free for this Passover season P.S. What was the bowl of saltwater for?
