High quality and delivered on time.

GREAT RESOURCE for a great price...other kids at school are in envy. i WOULD DEFINITELY RECOMMEND THIS ITEM FOR ANYONE IN GEOMETRY.

Pretty good info for my middle schooler.

This is a great reference sheet to have on hand. My son finds it quite useful. It's a quick reference with a lot of information at your fingertips.

This is great!

My daughter has not found anything on this cheats heat relevant to her first semester of Geometry

as a highschool freshman.

If you are taking geometry, whether intermediate or advanced, this quick reference is the tool you need. Absolutely amazing and you can solve any problem using this reference. dont forget to get part 2

easy to use. helped my niece bring up her math grade
