The novel can be considered only a love story but it is more than that. It is very interesting because the author describes  $\tilde{A}f\hat{A}$ ®n a high quality way two different history periods. It is the 16 th century Renaissance Italy and the 21 th century modern American time. This parallel it is full of interesting facts, happenings, customs. This is a book that one cannot stop reading on. It has charm, humour, special characters. I recommend it to everyone. To readers of love stories, to readers who like more complex writing, the ones who love the classic or contemporary literature.

#### GREAT BOOK BY A GREAT DORINA STANCIU

Great book!! Time traveling, suspense, historical and modern day romance. Intriguing and addictive makes it hard to put the book down. I loved the scene when Adam was pretending to be Eros and Eve had no idea but still she couldn't help falling in love with him. I recommend this book to everyone who enjoys historical romance books.

Unique, exciting love story!

Am calatorit in timp, am trait in suspans si mi-am imaginat cum arata iubirea.

Well, I could read it another 10 times and I will not be bored!!!!
