Who says that beautiful prayerbooks are a thing of the past? A fine example of one such books is this one "The Paraclete: A Manual of Instruction and Devotion". Beautifully hardbound with gold

letter embossing....and that's just the cover! What's inside is even better! This book was penned by a Capuchin priest, Fr. Marianus Friege in circa 1899, with an imprimatur by the then Archbishop of New York, Michael Augustine (15th August 1899). The contents of this devotional is divided into 3 parts. The book is quite extensive in its contents and the author has taken great pains that the faithful soul may have a deep understanding of who the Holy Ghost is, His role, His Mission and His activity in our souls, lives and in the life of the Church. Also it instructs the individual on the meaning of devotion to the Holy Ghost and the means of cultivating a more fervent devotion. Hence the first part of this book is essentially, and for most part, a Catechism of the Holy Spirit. The second part is given to Daily Acts, the role of the Holy Ghost in the Sacraments of the Church (Mass, Confession) and instruction and devotions for Holy Communion. The Third part, is by far the most extensive, with a fantastic treasury of prayers to the Holy Ghost, an explanation of the gifts of the Holy Ghost and their fruit. Of particular note are the following: a novena, The Divine office of the Holy Ghost, Tridentine Mass of the Holy Ghost for Pentecost Sunday and a Devout Exercise of Reparation to the Holy Ghost. A section on the Sacrament of Confirmation is included. This prayer book is worth every penny and is for EVERYONE. It is a wonderful companion to those faithful who desire to grow in devotion, faith and love to the Third Person of the Holy Trinity. Its instructions are of great worth to young people entering the Sacrament of Confirmation. Adherents of the Tridentine Mass will find this book an absolute delight. The publisher has taken great pains to faithfully reprint this work from the original and has done an outstanding job with a great typeface. The language is especially reverent and inspiring. A wonderful and most welcome spiritual treasure from TAN books.

This is a wonderful prayer book and manual of instruction on devotion to the Holy Spirit (Holy Ghost). I spent a long time comparing it with others and this was the one I chose after much research, and I don't regret it. It contains a substantial section of teachings on the Holy Ghost, numerous prayers and novenas for daily use including morning and evening prayers, preparation/thanksgiving for Holy communion, etc, and special sections such as the Little Office of the Holy Ghost (and a separate Little Office for Pentecost), meditations on the Gifts of the Holy Ghost, the Chaplet of the Holy Ghost, and much more. I carry this with me everywhere I go to read and pray in my free moments. Beautiful binding and high quality paper.

I have read a lot of recent books on Holy Spirit. But this classic book is different. It helped me not only to increase my knowledge of Holy Spirit but also tremendously improved my devotion to Holy Spirit. He is our Helper, Advocate, Counsellor, Guide, Protector, Comforter and Sanctifier. Without

Holy Spirit we cannot be a real Christian. So highly recommend to all Christians.

Beautifully bound, the true treasure lies within. The beautiful Christian teachings on the Holy Spirit are preserved, and the reset typesetting helps the prayers and devotions stand out. I constantly carry "The Paraclete" along with my kit bag of prayer books, to read in my spare time or to be used for more solemn purposes, as the day allows/demands. Recommend this book for any Catholic (regardless of where they are in their journey of faith).

An amazing book that will increase your spiritual life. Devotion to God the Holy Ghost honors the Triune God, the Sacred Heart of Jesus, and the Blessed Virgin Mary. I highly recommend this book!

Every Catholic should have this treasure in their library.

This is an amazing publication, written some time ago, but astonishingly up to date. I couldn't put it down. A totally edifying Manual.
