## Customer Reviews

This is a great collection of favorite Hymns. They are very easy to play. My dissatisfaction is that there is no piano score. You have to perform to a prerecorded CD. Also, since there is no score, you can't find your place if you get lost. Next time I'll be looking for a collection that has the accompaniment score along with the clarinet part. Having a CD to play along with is nice, but I also like having the option of live accompaniment.

love it

I love these my kids use them for special music at church to play duets the song are great

Good selection of songs.
