Matthew Propst is a freelance photographer. He has lived for many years in downtown Savannah, Georgia.

I thought the photographs of Savannah were terrific & most all aspects of the city were covered. Personally, I would have enjoyed coverage of the gorgeous historical homes which was ignored. The city's squares were well done. More on the historic area next time, please.

Vacationing in Savannah and happened upon a booth at the market selling books and photos. We had just taken a guided tour around town and I was looking for a nice book with color photos as a souvenir. The gentleman at the booth told us he was an author and photographer so I inquired about his books and asked if he had any copies for sale. He said no but that he was all over and to check online. I asked if he had a specific website. He said no that he was all over so I thanked him and told him we would try to find his book online. Later in the day I did find a copy of his book in a store on riverstreet, purchased it even though it was softcover and I would have preferred HC. I took

the book back to his booth later in the day and asked if he would consider signing it. I was even ready to tip him for his troubles and for taking the time to chat with us. He told me that I needed to buy something from him, that he didn't make any money from me purchasing it elsewhere. I would have gladly purchased the book from him if he had any in his BOOKSTORE but he did not. I understand that he did not make any profit from me purchasing his book but I found it insulting that after a fairly lengthy conversation regarding his books that he refused to sign my copy. He flat out told me to buy some chapstick and he would sign it. The book itself is fine. The photos are nice but sadly I don't want it displayed in my house after being insulted and will probably look for another book to remember our vacation.

I bought this book and "Savannah Cemeteries" by author Matthew Propst, and was thrilled! I gave them as gifts but once I peeked through the books I was sorry i did not buy them for myself (a great excuse to go back to Savannah). My friends adored these lovely books. The images were exquisite and the copy was very interesting as well as helpful (we followed the recommendations and went to many of the sites). This book is a must have for the Savannah visitor. My suggestion would be to purchase these books PRIOR to your visit so you can read, learn and plan ahead of time. Great Book! Kathrine Clark
