# Really Important Stuff My Dog Has Taught Me

## Synopsis

A New York Times, Los Angeles Times, Boston Globe and Indie Bestseller! Playful spaniels completely covered with snow. "There's no such thing as bad weather." Two happy dogs sleeping, one on top of the other. "Sometimes you need a pillow. Sometimes you are the pillow." The bulldog who eats headfirst in her bowl. "Every meal is THE BEST MEAL EVER." Cynthia L. Copeland has a gift for discovering those sorts of simple, timeless lessons. She did it when her children were younger with *Really Important Stuff My Kids Have Taught Me*. Now she distills all-new wisdom from her lifelong love of dogs. *Really Important Stuff My Dog Has Taught Me* is tender, funny, warm, and utterly inspiring. Pairing an irresistible photograph with just the right sentiment, every page delivers a life lesson that appeals as much to our hearts as our minds. It reminds us again and again of what's important, like love: "Be there when others need you." Compassion: "Even the smallest act of kindness matters." Perseverance: "Keep going until you find your way home." A healthy sense of self: "Make it squeak until someone pays attention." Living in the present moment: "Scratch where it itches, when it itches." And that happiness is a choice: "Leap higher than you have to."

This gift book is PERFECT for any dog lover! If you’ve ever had a dog, you’ll find yourself nodding along to every page. It’s a heartwarming book filled with beautiful prose and fantastic photography. Admittedly, it’s hard to go wrong with anything involving pictures of dogs, but this book goes above and beyond.

I love this book -- a totally charming gift for anyone who loves dogs! This isn’t a generic assemblage of quotes about dogs -- it’s a surprisingly profound, and clearly very carefully curated collection of sayings like "Joy is meant to be shared!" and "Just enjoy the ride!" and "Bask in a sliver of sunshine" that reveal what our canine companions can teach us about gratitude, joy, friendship, living a balanced life and other valuable life lessons. There are also touching stories about dogs and their humans, and truly adorable photos throughout. This book is heartwarming, and at times laugh-out-loud funny. I highly recommend to dog lovers everywhere!

I tried a sample of this book first, then I bought it and discovered the astounding photography paired with a majority of the sayings! I don’t know what I liked more, the photography or the verse.

Great photos and not too sentimental. Made me laugh out loud

I bought this book for myself & turned around & bought it for members of my family, after reading it.

Every dog lover will love this book. The pictures will make you smile, laugh, and cry. This book was given to me and I immediately bought this for a friend who has a dog. It’s the kind of book you can pick up and enjoy again, again, and again.

A must read for all dog lovers! It will keep you smiling

This is a wonderful book to read. I really enjoyed the whole book. I sent one copy of it the VA Hospital in Marion, Illinois for the veterans to enjoy. I have been sending boxes of books to them to help them pass the time and get to feeling better. This lets them know that someone cares about them. I am a member of the American Legion and American Legion Auxiliary and I know that it means that someone is thinking of them.
