Dancing With Jesus: Featuring A Host Of Miraculous Moves

Synopsis

Singing hymns of praise is standard practice; now it's time to set your feet a-tapping with a collection of original dance moves inspired by Jesus and the likes of Moses and John the Baptist. Dances include: the Water Walk, the Temptation Tango, the Judas Hustle, and The Apostolic Conga. Each dance move is outlined with: how to, inspiration, and an illustration. Slyly irreverent but ultimately festive, *Dancing with Jesus* is illustrated in full color. Best of all, two of the dances are animated for full effect by a lenticular cover and last-spread finale, making this a truly one-of-a-kind novelty item!

BookFetish.org – “What may seem like a simple, unnecessary child’s board-book for adults on the surface is actually an action-packed, step-by-step guide that might actually change your life. Or it may not – but can you really afford to take that chance? | Sam Stall firmly establishes that he has the necessary motor skills to write. By taking on a hard-hitting, polemic theme, Stall proves that one man’s blasphemy is another man’s sense of humor.”

Hi, mortals! Most humans don't realize what a terrible dancer Jesus is. Which is why I love this book. Each page lovingly explores in detail just how badly Jesus dances. I mean seriously, it's pathetic. He's the lamest and whitest dancer in the history of lame white dancing. That's right, he's doing the Carlton on the cover. I encourage everyone to get this book so you can laugh at My Son's 'dancing' as well. Love, God

He may have holes in his feet but he does NOT have any holes in his game! Watch Jesus turn water and wine into a Yahweh part-ay. I recommend everyone to read this book and urge the church to amend the bible and add this gospel of funk. If you want to see miracles, then you need to see how Jesus turns Jew lepers into two-steppers.

I knew he could raise the dead, didn't know he could drop it like it's hot! Holy spirited fun for everyone.. turn some water into wine, pass around the loaves and fishes, and get down with your disciples!

Probably one of my favorite gifts I gave this holiday season. SO funny!

Really funny, yet non-offensive to any but the most humorless Christians. Minor nitpicks include the size of the book and the amount of content, and some of the mentioned characters in the intro and back cover (Moses and Mary Magdalene) don't make appearances. Great novelty gift or purchase for people of all creeds or lack thereof.

I bought this for my boyfriend's mother who is a pastor. She also takes weekly dance lessons so I thought this was fitting. The holographic cover is fun and the book is so funny. I hope she will like it. I was worried the book could be offensive, but it really isn't. It is funny for both the skeptical and religious.

Hilarious. Bought it as a gag for my boss. May buy another for myself.

Its a funny tongue and Cheek book, it's a great conversation starter and my kids like watching the holographic Jesus Dance
