A Guide Book Of Hard Times Tokens: American Political And Commercial Tokens Of The 1830s And 1840s

Synopsis

A Guide Book of Hard Times Tokens Guide Book of Hard Times Tokens includes recent research findings, hundreds of high-resolution images, and current market pricing in multiple grades. He expertly covers the history of these fascinating collectibles, and catalogs them with detailed information for sellers, buyers, historians, and researchers. Hard Times tokens are tangible reminders of a turbulent time in America. Their political and commercial motifs are diverse, reflecting the economy and social scene of the pre-Civil War Andrew Jackson era (the 1830s and 1840s). Numismatists find them fascinating to collect and study. Although there are major rarities in the series, most of the issues are very affordable. They have been included in the best-selling Guide Book of United States Coins (the hobby's popular "Red Book") for decades. Novice and experienced collectors alike, as well as history buffs and everyone interested in the Jackson era, will find this volume a fascinating and indispensable reference. Inside, you'll find a wealth of information not in print in any other single source. Volume #17 in the Bowers Series. 320 pages, softcover, full color, 6 x 9 inches.

Customer Reviews

Thorough and interesting info abt a little-known area of American numismatics, Hard Times tokens. Bowers gives a great amt of historical background, the events leading up to the creation of these tokens, and a full treatment of each known variety. Heavily researched & illustrated. Something for anyone to learn, whether a coin collector, historian, or someone who is looking for something new

and different.

Great book!

Great book includes history of collecting these coins which were limited to an era in time.

Documents sales of collections from over a hundred years ago. Quite fascinating.

The best reference book on Hard Times Tokens I have seen.

has updated values and is easy to use

EXCELENT
