Secret Cleveland: A Guide to the Weird, Wonderful, and Obscure I bought this book for a friend who was born in Cleveland. Of course, I had to peek at it before I gave it to him. It was full of really great descriptions and fun photos. I never had any plans to visit Cleveland before. It's now on my bucket list of places to visit. I hope when I do go, my friend will lend me his copy!

Ok, I have to be upfront - I LOVE travel and anything odd or strange catches my eye right away. When I saw this book coming out I knew I had to have it! It definitely lived up to it's hype - what a fantastic book! There was so much variety and vivid detail - I'm totally hooked and need to plan a trip to Cleveland now just to see the things I read about in this book!
