Criminal Behavior: A Psychological Approach (10th Edition)

Synopsis

A comprehensive psychological approach to criminal behavior. Accurate, researched-based, contemporary, and comprehensive: *Criminal Behavior: A Psychological Approach*, Tenth Edition, builds on the excellence established in previous editions. The text offers a detailed look at crime, what may lead to it, and how criminal behavior may be prevented, all from a psychological perspective. Focusing on serious crimes, particularly those involving violence, *Criminal Behavior* offers a comprehensive look at this complex field with effective and engaging material that has been classroom-tested for over thirty years.

Customer Reviews

Curt R. Bartol was a college professor for more than 30 years, teaching a wide variety of both undergraduate and graduate courses, including Biopsychology, Criminal Behavior, Juvenile Delinquency, Introduction to Forensic Psychology, Social Psychology, and Psychology and Law. He earned his PhD in personality/social psychology from Northern Illinois University in 1972. He was instrumental in creating and launching Castleton State College's graduate program in forensic psychology and served as its director for 6 years. As a licensed clinical psychologist, he has been a consulting police psychologist to local, municipal, state, and federal law enforcement agencies for over 25 years. In addition to *Criminal and Behavioral Profiling*, he has written *Introduction to Forensic Psychology* (now in its 3rd ed.), *Current Perspectives in Forensic Psychology and Criminal Justice* (now in 3rd ed.), *Criminal Behavior: A Psychosocial Approach* (now in its 9th ed.), *Juvenile Delinquency and Antisocial Behavior: A Developmental Perspective* (3rd ed.), *Delinquency and*

Justice: A Psychosocial Approach (2nd ed.) and Psychology and Law: Theory, Research, and Application (3rd ed.). He is the long-standing editor of SAGE's Criminal Justice and Behavior: An International Journal. Anne M. Bartol earned an MA and a PhD in criminal justice from State University of New York at Albany. She also holds an MA in journalism from the University of Wisconsin Madison. She taught criminal justice, sociology, and journalism courses over a 20-year college teaching career and has worked as a journalist and a social worker in child and adolescent protective services. In addition to editing Current Perspectives, she has co-authored Introduction to Forensic Psychology, Juvenile Delinquency, Psychology and Law, and Criminal Behavior. She has served as book review editor and managing editor of Criminal Justice and Behavior and has published articles on women and criminal justice, rural courts, and the history of forensic psychology.

Great resource and is impressively up to date. I got it for a class but found it's also great for crafting great criminals in my writing.

Great condition. It saved me a lot of money using Prime the last year so when it came to buying text books I was always happy to buy them from and this book didn't disappoint. It was just what I needed for class at a fraction of the cost. The best part about this book, unlike some Criminal Justice books, is I'm going to keep it as reference for the future. It's worth more to me educationally than it is monetarily.

Bought for a class. Was a good read.

Not compatible with all kindles

Exactly what I needed for my class.

The book came just in time for school to start. I needed it for my psychology of aggression and violence class. It's a great book with awesome examples. I wish it had more pictures though!

Great book. Well documented and written in a nontechnical, jargon-free style that is easy to read. After purchasing the 9th edition, I discovered that a 10th edition is now available. I quickly ordered the 10th edition and look forward to reading it as well.

Great textbook for understanding abnormal behavior.
