Thomas A. Bailey (1903-1983) taught history at his alma mater, Stanford University, for nearly forty years. Long regarded as one of the nation's premier historians of American diplomacy, he was honored by his colleagues in 1968 with election to the presidencies of both the Organization of American Historians and the Society for Historians of American Foreign Relations. He was the author, editor, or co-editor of some twenty-books, but the work in which he took the most pride was *The American Pageant* through which, he liked to say, he had taught American history to several million students. --This text refers to an out of print or unavailable edition of this title.

Great book that I bought for a college course. I ended up keeping just to have on my bookshelf for reference !

Just as described and arrived quickly.

Fine version of book. Bought for kid in AP US History - be warned that there is a special AP edition (not this one) that does have some extra features.

Good was in great shape, would use this seller again. The book was in better condition than promised so it was no problem submitting it as a replacement for my son's lost book. The price was a lot better than buying new and more than fair. Thank you!

Standard history book. Online video history much more entertaining.

Great textbook! It really helped me with my at-home studies.

The book came in unexpected condition,came to me in pretty much new condition even though I bought it used for very cheap, I wanted this book because I used it in the 11th grade in my AP Us

history class two years ago but I didn't take the class seriously, so now i'm getting it and doing it on my own to discipline myself and learn us history all over again, this was a great buy!

Effective Study guide. Really helped me focus on what needed to be studied for the exams. Book was easy to read.
