Customer Reviews

Hi! Im the illustrator/author of this coloring book. This is the second in my series of *Emoji Coloring books*. I had the absolute best time designing this book. I incorporated even more emojis than the first book, and had so much fun getting really silly and creative! I tried to think of really cute and fun things for the emojis to be doing, like going to the movies, wearing chef hats at a bakery and flying on spaceships (with space ice cream of course). I tried to picture a world made of emojis and I hope you love the world I created as much as I loved creating it! Please feel free to visit my author page and contact me on social media with any ideas or requests you have for coloring books!

Really neat book! Cute emoji's of all kinds to color! Will keep me busy for quite sometime!

Great little coloring book. Fun shapes are individual, so the kids don't have to complete the whole page to feel accomplished. I will be buying another one soon!
