## Customer Reviews

I am so grateful for men of God who have such insight into spiritual warfare .I feel revived and awakened and alert and and more aware now of my spiritual life as a mother , wife , grandmother and friend and associate to many who are in bondage.

Great book. It works.

Love the product in good condition

I believe I have received my breakthrough through this book is have been overlooked at work and suffered failure at the edge of breakthrough. I will recommend the book to my family who are going through the same thing

Having lived in China and experiencing the reality of what Daniel writes in this book, I highly recommend buying it and following it step by step. Often, in western cultures, there is a strong naturistic worldview which inhibits many people from receiving ministry to their spirit, soul and body, especially as pertaining to spiritual warfare. Daniel gives many scriptural insights into what may be keeping success back, and causing emotional and physical problems. Using the Word of God, he guides us through the process of deliverance from curses, henceforth setting us up for success. Buy this book and use it. I did, and now I am more free.

This is your instructions with prayers to accomplish your goals. We also found help with prayers. Valuable book to have. I have learned so much in the past two months. I wish I had known about these things when I was old enough to read. Pray for yourselves and your families. It can prevent tragedies and bring about healing. For me now, it is about restoration and a family who needs the Holy Spirit. As long as there is life, there is hope. Sin separates us from God. Jesus Christ came and paid the price for those sins, if we accept Him as our Lord and Saviour and pray with all our heart and soul and mind. We are all bought and paid for if we know what to do. The Bible is more

than an instruction book. We need books like these to help us all to have life more abundantly. Our Heavenly Father is Real.

I really enjoyed reading this book. I was truly enlightened. I have been praying hear prayers, and can already see what the Lord is doing in my life. I encourage those that have little faith to read this book and pray these prayers on a daily basis, or at least until the Holy Spirit has spoken to you personally. God is with you!!!! Amen

This is a good read for those who are called to pray especially in warfare. I have really learned a lot of strategies on how to break curses and spells.I believed what prompted me to buy the book is that I live or reside amongst witches etc. You cannot throw a stone without hitting one. I am using this book and the witch that lives upstairs is getting antsy.....already...it works.
