Totally love it!!! Give me zayne as my doorman any day. After a crazy date Clove only wanted to go home until the crazy creeper try to get his way and her true hero shows and save her, that hero, her doorman and the man that swept her off her feet. Zayne got one bad experience and serious relationship was off his place but one girl keep hunting him, the same girl he had to save from her date, the same girl that he is going to try to conquer. Sometimes you need to fight for what you want and that's what they did. Don't miss out this crazy love story  $\tilde{A}f\hat{A}$   $\tilde{A}$   $\tilde{A}$   $\tilde{A}$ 

Another scorching sexy read by Penny that I didn't want too stop reading. Zayne is the sexiest doorman that Clove has ever seen, she can't believe it took him saving her for her to realize her perfect match was right in front of her. Love the story and of course Zayne & Clove and how hot & sexy they are. If anytime you want a hot sexy read, then one click any of Penny's reads because you won't be disappointed.

I always love a good Penny book, but this just might be my favorite...ok maybe I say that after every one of her books lol. Maybe she just has all the best men! Jeez, Zayne is something else! It's crazy how someone can be right in your face day after day and you have no clue that they are you other half. One push in the right direction, and your whole life changes. Loved Sext!

I liked the characters! The sex wss HOT!! The story didn't go the way I expected. I really liked the way it turned out. Read a great book!

When did doormen get so freaking hot?Damn! Zayne is a total babe.Recommend. $\tilde{A}f\hat{A} \ \tilde{A} \ \tilde{A} \ \hat{a} \ {}^{TM}\tilde{A} \ \hat{a}$ 

There is zero denying that this story is a dirty smuttastic read. It's chock full of lengthy, descriptive happy-fun-time, but... for me, it was almost \*too\* much.I struggled also with some of the bdsm overtones, specifically the name calling. How quickly this occurred with no indication that it was something the heroine was into didn't sit right with me for some reason... and even though naturally, she was into it, it just felt "off".I realise writing this review, that I didn't actually bond with either lead character, so that's on me.I found Clove all over the place & a little lacking backbone, and sexiest thing about Zayne was his name.I wanted more from the plot/story/characters - and although a lot is packed in at the end (which to me gave it the feeling of being rushed & wrapped up for the sake of it

almost) - I felt like there were a lot of loose ends. Having no epilogue, which we generally get from this author, didn't help me either. Anyway, no one's more shocked than I am that I didn't mega-love a read filled with descriptive sex & bdsm overtones, but there you go. Maybe I'm deeper than I thought when it comes to quick smutty treats?? However, plenty of others have loved it before me & will after me, so decide for yourselves. I'm still a PWyld fan, but clearly this one just wasn't \*my\* cuppa tea.

Very good writing for an intensely erotic romance. As usual with this author, the story has a mix of drama and electrifying passion. Can a doorman be the hero/perfect man for a woman with bad luck in love? I wanted to find out, especially with that wonderfully funny and heroic beginning. When this man talked about respect and devotion, I was about to swoon. So I admit it took me a bit aback when the dynamics between this gorgeous doorman and Clove veered into the dirty talk that included the "s" word that is a derogatory term for women. I didn't particularly like that. Though I loved how detailed and exhilarating their passion was from naughty texts leading to scorching-hot flesh to flesh action. Add to that some suspense, lots of misunderstandings and the dangers of technology, we get a highly entertaining and dirty relationship. In the end, it was too much sex and not enough romance, but I still enjoyed the overall story. Sexting has never been so addictive!(I'm happy to share my honest opinion of this arc)
