## Customer Reviews

I am not blessed with a great cooking skill, so I love simple cookbooks like this one. I bookmarked most of the recipes for trial. They have common ingredients, and pretty importantly to me, the recipes were pretty much just open and dump. As in this is not a book where you have to cook before putting in your crock pot. Definitely worth as a freebie...I would possibly try other books by this author.

I have enjoyed cooking in the crock pot very much. The flavors are good and it stayed warm for all of us who eat at different times. We eat mostly vegetable so this helped a great deal.

There are some recipes that I will make, a few that I didn't feel were "Thanksgiving". Any crockpot meals that would make life less stressful during the holidays, is all good!

This was a nice cookbook filled with lots of tempting recipes. Well thought out and liked the way the instructions were clear and easy to understand. Can't wait to try them!

Exactly the kind of cookbook that I like! As a busy, homeschooling mother I love recipes that are easy to make and don't have ridiculous, hard to find ingredients.

This had so many good recipes, I can't wait to try them all. It has inspired me to have a second crockpot, ha !You must get this recipe book.

A helpful bunch of tips and recipes for thanksgiving.
