Customer Reviews

I've never bought a golden book that I wasn't happy with or that my sons didn't like. Been buying these for years and have some that are very old. They hold up like no other!

This is my kids' FAVORITE Golden Book. We read it several times a week. It's a longer one- don't buy this book expecting a short Thomas book like "Blue Train, Green Train" or "A Crack In The Track"- but has a solid plot and a typical Thomas moral. For kids who are looking for stories featuring Belle, Flynn and Diesel 10, look no farther.

Thomas and the fire engines are goody-goodies. Percy is a naïve fool. Diesel 10 is a menacing jerk. Nothing in life (except chewing gum and ramen noodles) is cheaper than a Little Golden Book. What do you have to lose? My kid loves this crap.

Corners are too sharp!

purchased as a gift for my two year old grandson. He has really enjoyed the book. His mom said she had to read it to him three times in a row. It has beautiful pictures and a cute story. Diesel 10 is his favorite engine right now so it was great to find a book with him in it.

My 3 year old son loves it. He's obsessed with Thomas, and more specifically Diesel 10 and the dieselworks. He's asked to read it several times already.

Service was great however this books content is a bit suspect. There's a lot about hate and disgust with the diesel trains. Kind of unnerving to be reading to young kids.

This was a birthday gift for our 4 year old grandson who absolutely loves "Thomas the Train!" He loved the book and seemed happy to have another to add to his collection!
