## Customer Reviews

"More fun at a baby shower than a Diaper Genie." - Tampa Bay Times  
"not easy to riff off childhood favorites with such a clean balance of wit and punch, but Federle nails it." - Food Network Dish  
"The exhaustion and the joy of parenthood are palatable. That is what makes this book exceptional. It perfectly captures both ends of the parenting spectrum." - BookTrib  
"Hickory joins a line of recent publications like the viral smash Go the F\*\*k to Sleep and the follow-up You Have to F\*\*king Eat that add an irreverent twist to parenting." - Atlantic Magazine  
"[E]ssential cocktail book to add to your collection." - L.A. Times Daily Dish  
"Praise for Tim Federle's Tequila Mockingbird; it's a little-known fact that the information in here will make anyone look

and sound better than they actually do – David Baldacci; this is a wonderfully entertaining read, slight enough to be digested in one sitting, clever enough to be entertaining even if you never make a single one of the cocktails. – World of Beer blog

Tim Federle is the author of *Tequila Mockingbird: Cocktails with a Literary Twist*, which was named the 2013 Goodreads Cookbook of the Year and called "a joy" by the *London Evening Standard*. Though Tim is not a parent himself (that he knows of), he is a very cool uncle. Tim lives and drinks in New York City. Say hi at [TimFederle.com](http://TimFederle.com) and on Twitter at [@TimFederle](https://twitter.com/TimFederle).

tim is a wordsmith, and this book continues his successful tour of Broadway and the world of cocktails. His later books tell of his semi-autobiographical road to Broadway. The first cocktail book uses a literary motif to give the preparation directions as well as a brief description of the drink. *Hickory Daiquiri Dock* continues in the same tradition but using nursery rhymes and some of his favorite childhood stories to tell his tale. Recommended for folks who enjoy clever wordplay with their alcohol.

What an adorable children's book for adults. My husband and I are waiting on our first child together and I bought this for him as a gift from the baby. Each page has a cute alcohol-adapted version of a nursery rhyme with a cocktail recipe on the side of the page. I am looking forward to making a few of these and enjoying them while we read these to our baby boy to be born in the fall. I am sure they actual nursery rhymes will be a hit - most kids don't understand them anyways! Such a smart idea for fun parents.

This book itself was cute and funny but it came in a bit of a worn condition. I was disappointed since it was a gift and I didn't have time for an exchange but it looked as though someone had already read it and opened up all the pages, the edges outside were worn. Being a board book, the wear was the first thing I noticed.

The book came used with pieces of paper stuck on it, and the cover was torn and peeled off with the stuck-on paper.

I got two copies of this book to send to my daughters-in-law. One has twin 3 yr. old boys and a one year old daughter. The other has a three year old daughter, but also works. The rhymes are fun and

reading them without drinking may help them laugh at the end of busy, selfless days.

Big hit with new parents!!! Feels like a baby book with thick card pages, looks like a baby book with classic nursery rhyme drawings...but look a little closer and bam! Big smiles, laughter, and definitely not a gift for baby! I bought 4 at a time.. So glad I did!

SUCH a fun book and a great gift! Funny, cute, clever, not cheesy. Buy a bunch and give it as a gift when you're in a pinch.

Got this as a gift after my sister in law and brother had their first baby. It was a slam dunk gift. =0)
