# The Cottage (Danielle Steel)

## Synopsis

In her fifty-fourth bestselling novel, DANIELLE STEEL weaves a compelling story of fame and friendship, charmed lives and private struggles...and of three very different men whose lives converge and collide at The Cottage. On a sunny day in Hollywood, a gleaming Rolls-Royce convertible pulls through the gates of the magnificent estate known as The Cottage. Modeled after the "cottages" of Newport, Rhode Island, the spacious, elegant property, sitting on fourteen acres of lush Bel Air, fits its owner to a T. For the man behind the wheel of the Rolls is Hollywood's ageless wonder, Cooper Winslow. A star of the silver screen for decades, a man whose allure to women is the stuff of legend, Coop exudes grace, charm, and old-fashioned style. But today Coop Winslow is in for a major surprise. He's broke. And with no major roles coming his way, Coop is faced with the heartbreaking prospect of selling his beloved home of forty years, or at least renting out the gatehouse and part of the main house. A huge blow to Coop, whose debonair attitude allows him to escape reality much of the time. His new tenants, Mark Friedman and Jimmy O'Connor, are busy coping with problems of their own. Mark's wife of sixteen years just walked out, and Jimmy recently lost his own wife to a devastating illness. But everything changes when Mark's teenage son and daughter move in. Suddenly, The Cottage is transformed, with music blasting from every corner, teenagers on skateboards crashing into vintage cars, and a never-ending parade of young starlets streaming in and out to visit Coop. But amid all the noise and the chaos, something unexpected is happening. Three men who never would have met are becoming friends...and each man finds himself changing in surprising ways, Coop most of all. Because beneath the dazzle and flash, the impeccably tailored suits and the sheer bravado, is a man trying to keep control of his carefully ordered world—a world that is becoming more and more unpredictable with each passing day. First, a tabloid scandal erupts, threatening Coop's budding romance with a wealthy debutante....A stranger approaches Coop with stunning news....A devastating accident almost claims the life of one of the housemates....And in the midst of it all, The Cottage welcomes a new houseguest with a secret of her own, who will change Coop's life in unexpected ways. Because among the people who share his cottage and his life, Coop Winslow—loner, bachelor, movie star—may find the rarest of all opportunities: a chance to build a happiness he could never have dreamed of on his own, and to become the kind of human being he has never been. Against a glittering backdrop of celebrity and glamour, DANIELLE STEEL digs deeper to tell a story of friendship and love, tragedy and second chances...of the choices and unexpected turns of fate that can shape characters and lives. From the Hardcover edition.

## Customer Reviews

This "cottage" is actually the huge estate of fading movie star Cooper Winslow, who is so down on his luck that he must rent a part of it to make ends meet. But the two fellows who move in introduce Coop to something completely different friendship and of course in the offing there's the promise of love. Copyright 2001 Reed Business Information, Inc.

I do enjoy reading Danielle Steel but many books are predictable and of course there always are happy endings. This one wasn't much different as someone always finds love, many have a tragedy but I still enjoy reading her books. But this one was ok.

The character development in this book was really well done. It was not so predictable like many of her other books.

I enjoyed reading about three men whose lives are torn apart and how they come together to build new lives. Having three different stories meld into one gave the book a great deal of variety, and made it more interesting than stories with just one person's struggle to regain a place in society. And a mix of young people with older main characters adds added interest. All in all, it was an excellent account of broken lives being repaired.

I loved it. Went by so fast just like school vacation. I was able to put myself there and see and feel

what they did. Hands down, the perfect story with a perfect ending. Such a feel good book. Thank you for that.

good condition

I really liked the book but there was some mistakes in the rodeo part of the book. Bull riders, bareback riders and saddle bronc riders only ride for 8 seconds. The saddle bronc riders are not tied on neither are the bareback riders. But other than that it was a great book.

What a wonderful book. Very entertaining and great writing Daniell Steel at her best.

One of her best! Very much enjoyed story and characters and was sorry to turn the last page.
