The Princess Fugitive: A Reimagining Of Little Red Riding Hood (The Four Kingdoms Book 2)

Synopsis

Princess Ava used to be a weapon - sharp, strong and beautiful. But when she fails at her most important task, she's forced to flee from her own family. Only her personal bodyguard, Hans, remains loyal. Hans claims to know the real Ava but she finds that hard to believe - after all, she's been the villain so long that she can't remember anything else. Deep in exile, Ava learns her kingdom needs a hero and she might be the only one who can save it. The catch? She'll have to ally herself with the very people she blames for her downfall. But in a game of life and death where the stakes are an entire kingdom, winning over her enemies will only be the beginning. Can one fugitive save her people, her kingdom and, hardest of all, herself? In this reimagining of the classic fairy tale, Little Red Riding Hood, the girl in the red hood has been swallowed up by the wolf and must decide if she's willing to fight for her freedom, no matter the cost. If you enjoy clean romance, adventure and intrigue, then try the books in The Four Kingdoms series now! Each book can be read as a standalone story. However, for greatest enjoyment, they should be read in order.

The Four Kingdoms Reading Order:

- The Princess Companion: A Retelling of The Princess and the Pea (Book One)
- The Princess Fugitive: A Reimagining of Little Red Riding Hood (Book Two)
- Happily Ever Afters: A Four Kingdoms Novella
- The Princess Pact: A Twist on Rumpelstiltskin (Book Three)
- A Midwinter's Wedding: A Four Kingdoms Novella
- The Princess Game: A Reimagining of Sleeping Beauty (Book Four)

Customer Reviews

Clean reading that everyone can enjoy. Adventure and intrigue that keeps you thoroughly entertained and engrossed in the book so you just can't put it down. Heroines and hero's and friends that you love to root for. A great series with wonderful twists on old classics. Fixing to start book 3 can't wait to see what's next!

This novel had both an intriguing man vs. man and man vs self plot and sub plot going on. We met Ava in the princess companion as the villain. Now we learn what makes her a villain and join her as she becomes the hero in this story. This book was hard to put down!

Well written. Best turnaround of a character I've read in a long time. I loved the characters and the plot. Made me fall in love with fairytales all over again.

This was a truly beautiful story in every way. It had so much heart, a flawed and believable heroine, and many supporting characters that I fell in love with. I enjoyed the world building and the setting of each scene as if it were a play. My only slight disappointment was that the book did not flow as smoothly in each transition as successfully as some of my other favorite great reads have done....but that is something I suspect will come with more experience as this author flexes her wings. I did love this story, and I loved the new and improved Ava -who turned out to be quite a worthwhile human being after all, which was a surprise given how much we all loathed her in the last book!

The author delivers another great book with The Princess Fugitive. Lots of adventure, intrigue, and action. I read it in a single day - only putting it down w h end I had to. I can't w a it for the next book in the series.

Another fairytale retold! "Red riding hood" was also one of my less favorite stories but this was a wonderful example of the power of love to change people for the better! I can't wait to get my hands on the next book!

I love the way Melanie takes the traditional fairy tales and makes them her own. As with her first story I couldn't put this one down. I highly recommend this book to any fairytale enthusiast.

I couldn't put the book down . As soon as I started reading it , I was hooked . Love her writing and highly recommend this book
