# The Alpha Bow

## Synopsis

I'm a Goddess, yet I want you to make me kneel...Ever since the economy went sour, Cody's business has been on the rocks. He can't get credit, and the gorgeous, seductive business partner he's always had a crush on is threatening to walk. When he uses the last of his money to buy a storage locker sight-unseen, he finds nothing but junk inside...until he makes a discover that will change his life! Inside a crate, Cody finds the hidden bow of Cupid himself - an artifact with the power to make people fall madly in love with the next person they see! And when Cody accidentally uses it on the hot young co-ed using the locker next to his, he turns her into a submissive, eager slut who'll do ANYTHING to win his favor! But this is just the beginning for Cody. Now that the Bow is back in the mortal realm, a fertility goddess and her harem of nymphs are planning to steal it for themselves! But the bow has the power to make goddesses fall to their knees with lust - if Cody can figure out how to use it in time...The Alpha Bow contains themes of: bimbofication, bimbo transformation, hypnosis, mind control - and contains MF and MFF scenes! 18+

## Customer Reviews

This story is one of my favorites I've ever read from Neil. It centers around opening up a Greek shipping container and finding a magical bow, which, true to form, can be used to turn ordinary ladies into what you'd expect. Lots of fun, wonderfully written, and I really am looking forward to the rest of this series. I am a huge Greco-Roman mythology nerd.
