This is the most adorable story! Just gave it as a gift to first time grandparents. This larger, lap size board book is great! The illustrations in this book are priceless - especially the last page after Big

Nut Brown Hare and Little Nut Brown Hare have their big day together!

Love this book so much. Bought it for my niece as a bedtime story. It's a classic with a beautiful message that will resonate even into adulthood. I love that it's a board book - more sturdy and even little ones can turn pages effortlessly.

One of my children's favorite books, this is one that celebrates a father's love for his son. That makes it a rare treat. Now my son-in-law is enjoying it with my grandson.

thank you again. Pefect item.

This book by Sam McBratney and illustrated by Anita Jerem is a treasure. The story is so poignant and the illustrations perfectly matched to the sweet characters. This story expresses the depth of love in a way that can be enjoyed by young and old alike.

This book was very good quality. I bought this for my nephew, I love this story!

A wonderfully fun book with a great message about a parent's love for a child. Great illustrations with a great message in a large, durable book that my child cannot damage. A wonderful choice for any parent.

This book is perfect for reading to small children and for toddlers to read themselves. Such a sweet story. Very durable.
