Founded in 1947, Hal Leonard Corporation has become the world's largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

My wife needed this book to prepare for an audition for admittance to a local music school. It has been invaluable for her preparation.

Great price for this classical collection.

This is a wonderful collection of songs for the performing artist.

Very understanding company and great book

There are many errors done by the publisher in this book. I don't at all blame the vendor. Still, a worthwhile set to have in your repertoire.

I received this product on time and in very safe packaging. Cutting a watermelon was the first opportunity to use it. It sliced through the whole melon easier than any product I've owned before. Can't beat that. I'm happy. I love it so much, I receive it very fast. The best seller. Recommend it to my friend.

I like the big print, big pages, easy to read. The selection of songs is OK.
