Bad Kitty Goes To The Vet

Synopsis

When Kitty is happy and healthy, everything is perfect. She jumps around, eats everything in sight and has the energy to keep slobbering puppies in their place. But when she's sick, all she can do is lie in her bed. Looks like it's time for this sick kitty to go... to the vet. When Kitty's family finally manages to get their clawing, angry pet into the doctor's office, it's a wild adventure for Kitty who has to get the most dreaded thing of all...a shot. Once administered, Kitty is cast into an ingenious dream within a dream sequence in which she has to make right by puppy or risk being shut out of PussyCat heaven forever. *Bad Kitty Goes to the Vet*, the 9th installment of the popular *Bad Kitty* series by Nick Bruel is chock full of brilliant supporting characters and of course, the crankiest bad kitty you've ever seen.

Customer Reviews

K-Gr 3 *Bad Kitty* looks terrible and she is not eating. When she gets to the vet, she does her best to be bad, but the vet knows how to handle a bad kitty. After a short exam, the vet gives Kitty a shot that, she thinks, means the end *Bad Kitty* finds herself waking up in Puppy Paradise because of her poor treatment of dogs on Earth. She is sent back, however, with the warning that the choices she makes in her world can have serious consequences for eternity. There are special conditions that she must honor in order to make it to Pussycat Paradise one day. Uncle Murray's

facts, peppered throughout, help cat owners determine if they may have a sick cat. The illustrations are a delightful addition to a hilarious text and add charm and wit to an already beloved character. VERDICT Die-hard fans of this naughty feline will love this new story, and newcomers will be in for a treat. Even the most reluctant reader will have trouble putting this one down. — Wayne R. Cherry, Jr., First Baptist Academy Library, Houston, TX --This text refers to the Library Binding edition.

"The illustrations are a delightful addition to a hilarious text and add charm and wit to an already beloved character. . . . Die-hard fans of this naughty feline will love this new story, and newcomers will be in for a treat. Even the most reluctant reader will have trouble putting this one down." — School Library Journal "With dialogue and illustrations that range from droll to madcap, this book seems sure to turn devoted dog-lovers into Bad Kitty series fans." — Booklist on Bad Kitty: Puppy's Big Day "Bruel's writing is hilarious." — School Library Journal on Bad Kitty: Puppy's Big Day "Surprisingly (and sneakily) instructional, totally hilarious . . . and worth every penny." — Kirkus Reviews, starred review on Bad Kitty Drawn to Trouble "Bad Kitty's legions of fans will not be disappointed." — Kirkus Reviews on Bad Kitty School Daze "As usual it's Bad Kitty's personality that rules the day." — Publishers Weekly on Bad Kitty School Daze

I am a school librarian, and all the Bad Kitty books are hits with students from Kindergarten to 6th grade. Girls and Boys alike love them and reluctant readers demand them. Younger students enjoy reading them with parents or older siblings and older students get a lot of information from the non-fiction facts that are interspersed with the story. I honestly cannot recommend them enough!

I think that Nick Bruel has definitely outdone himself this time. The beginning was hysterical and the nice twist with pussycat paradise showed that Kitty might think that puppy isn't so bad after all. All and all I think that this was a very sweet and touching book(with a few laughs sneaked in of course) and I can't wait to see what the next Bad Kitty book will be about

My grand-daughter loves the entire series of "Bad Kitty". I love it that Nick Bruel depicts a cat that is sometimes naughty but is still cherished and loved by her family. And it's a great message for my grand-daughter (who just adores cats) to see that cats can be naughty but still have a place in the home. This book tells the story of what happens when Kitty is sick, and must be brought to the Vet. Nick Bruel's depiction of the Vet as a competent, caring professional is on-spot, and his subtle

humor keeps the adults ready this book chucking along with the main story line.

My son loves Bad Kitty. I enjoy how he laughs at the kitty's antics but can also relate to the author's sarcasm and irony. I also love that it's an accelerated reader book so he can get points for reading these books!

My son (7) adores the Bad Kitty books. there's enough illustration so that even though he doesn't read easily (he's in first grade, reading but still prefers that I read to him), he happily flips through the Bad Kitty books on his own and then finds himself reading things aloud to me. I never point this out to him of course. He thinks the illustrations and the stories are hysterical. We could always use more Bad Kitty in our house.

These books were part of our summer library reading program and I enjoyed them.

Like it, glad they keep putting these out they are funny.

great book. perfect for my daughter the cat lover!
