Croatian Christmas Carols For The Small Harp

Synopsis

Croatian Christmas Carols for the Small Harp by Christina Cotruvo. This book contains fourteen harp arrangements of Croatian carols and chants. These are traditional carols from a time period ranging from medieval to the 1800s and are still being sung today. These beautiful melodic carols are of Croatia, Dalmatia and Istria in addition to Glagolitic chant. Croatian pleter and Glagolitic script artwork adorn the sheet music. Although these arrangements are for the small harp, two and one quarter octaves with tone range of C3 - E5, they can be adapted to play on any size of harp. Chord symbols are indicated and fingerings are included. They are arranged for advanced beginners to intermediate harp players. The carols are in the keys of C, F and G and their minors and modes.
