Diamonds In The Dust: 366 Sparkling Devotions

Synopsis

With more than 200,000 copies sold, *Diamonds in the Dust* has become a devotional favorite. Joni shows us precious jewels of biblical truth that lie scattered amidst the gravel of life's dusty road. "The book you hold in your hands is my treasure trove of diamond chips I've collected over the years," says Joni. "I've carefully selected favorite gems, ones I've often held to the light, turned this way and that to admire their beauty, diamonds that have made me rich in faith and wealthy in hope." These 366 meditations uncover a wealth of promise, of eternal truths waiting to transform the events of our lives into facets that catch and reflect God's glory. Written from the perspective of a woman who traverses life in a wheelchair, this book wipes away the surface grit of suffering and circumstances to reveal the radiant hope that each of us can claim. *Diamonds in the Dust* takes theology and gives it flesh, breath, and emotion. With eloquence, Joni draws from her own trials and triumphs to enrich us all with the wisdom of Scripture. But she's not the only one whose everyday life holds such potential. "Look down at your feet," Joni writes. "The path sparkles. God has placed diamonds in the dust of your road too!"

I love this devotional. The stories are so good. Just love Joni and her courageous faith. This devotional will really touch your heart n soul.

Inspirational, motivational and heart-filling every time I read a devotional. Sometimes I read just the day, other times I read several and love every minute that I spend listening to Joni's words of encouragement and her love for The Lord.

Love this devotional. thanks Joni

Excellent book. Used it in my morning devotions year in and year out, then gave it to someone. She's read it over and over and now the leaves are falling out, so she requested a new copy - the one I just purchased.

I have bought all of Joni's devotional books and love them. She has such a mature, detailed look at

life from her wheelchair that she always challenges me to dig deeper in my faith. But she writes with such encouragement and simplicity, that she is easy to identify with. I have bought several of them for gifts. No matter what else I am studying, I always read my Diamonds in the Dust!

This a wonderful, powerful devotional book that has drawn me closer to the Lord Jesus because of Joni's close walk with the Lord. I bought one for my daughter, my daughter-in-law, and the store clerk who didn't know who Joni Eareckson Tada is. Joni's lifetime of battles after becoming a quadraplegic is very inspiring.

The best devotional for these past two seasons (years) of my life. Along with Jesus Calling by Sarah Young, I found my devotional time to be more in depth with the daily scripture reading. I love Joni's heart and how it comes across in her writing.

I ordered this book as an aid to doing research on other devotional books. I liked the way she approaches each issue we can face in our lives.
