[...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • Customer Review "Written in a very simple way but with a profound message for both adults and kids." • Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" •ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves whatever their size." •ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

This book is similar in length to Sleep tight little wolf. The words are simple and the book is short. You will be better buying a few books at the same time to help your child learn Norwegian. This book just covers a few words. I purchased the title above and Dette minner meg om jul. I also purchased a Norsk, dictionary too to help my daughter.

The illustrations and the story are both very sweet, and the dual language is a really great resource for those of us with bilingual families! I'd love to see more books like this. The translation is mostly really good, but it's a just a little off in a few spots. The quality of the actual book isn't all that high, which is a shame because the illustrations are so nice. The story kept the attention of my one year-old and my four year-old, and my four year-old especially enjoyed all of the different words for big and small. I think it's great that this book is available in lots of languages, and would absolutely gift it to other families who speak two languages.

This book is very easy for someone who is beginning to learn Norwegian to read. Though meant for children, it was an entertaining story about perspectives and I enjoyed it.

I love the pictures and the lesson that everything is relative to your point of view. I cannot wait to read it to my kids!

Some part early on didn't seem correctly translated to me, so it threw me off, but it's a cool enough book otherwise.

My 2 year old's favorite book! she loves the fantastical illustrations.

A gift for a friends child. they were thrilled.

Love the idea, and what a great way to learn Norwegian for little and big
