Desolation Sound And The Discovery Islands: A Dreamspeaker Cruising Guide, Vol. 2 (Dreamspeaker Series)

Synopsis

These popular cruising companions offer charts, tips and data that will enhance the enjoyment and safety of any voyage. The guides feature informative and charming hand-drawn shoreline plans of selected marinas and small boat anchorages, ranging from safe all-weather havens to secluded picnic spots and marine parks. Intended to complement official hydrographic charts, the Dreamspeaker Cruising Guides accurately pinpoint both popular and little-known highlights in BC and Pacific Northwest coastal waters that every sailor, power-boater or kayaker should know. Written in the personal style of a boater's logbook, the accompanying text provides vital information about featured locations, plus notes on recreational activities for adults and children. Here you will find the best spots to anchor your boat, share a romantic sunset, enjoy a fine meal, pick blackberries in season--even locate a welcome hot shower or cappuccino! Aerial photographs illustrate safe approaches to the destinations, while full-colour scenic photographs showcase the splendour of the Pacific Northwest Coast. --This text refers to an out of print or unavailable edition of this title.

Book Information

Paperback: 192 pages

Publisher: Raincoast Book Dist Ltd; First edition. edition (March 2000)

Customer Reviews

For Voyage of the Dreamspeaker "There's a jolly practicality to the text that makes this handsome book a good gift for a sailor, if not an armchair traveller."-The Globe and Mail "Nothing if not hip-nautical... This is a book no West Coast sailor worth his salt - or even a land-lubber who wants to explore the area - should be without."-The Province "Anne is no only a crack sailor, she

accentuate the positive in every encounter, whether with natural beauty, natural folks, or natural disaster."-Norwesting Magazine For The Broughtons"These sailors cum authors don't just ply the water where they travel, they connect with the people and the communities. That intimacy is reflected in this popular series of cruising guides...essential for local and visiting boaters."-Teresa Bird, North Island Gazette"The completeness of The Broughtons is truly exhaustive...A valuable addition to the library of any serious cruiser"-Robert Buller, Pacific Yachting"Deeply immersed in the culture of boating, The Broughtons is an indispensable guide for any boater who wishes to visit this beautiful corner of our BC Coast... Highly recommended"-Catherine Dook, Boat Journal (Praise for the Dreamspeaker Cruising Guides) --Catherine Dook --This text refers to an out of print or unavailable edition of this title.

I know this Cruising Guide has gotten rave reviews, but I found it a bit lacking in navigational information. I will use it as part of my trip planning but require much more information from other sources.

Beautifully written, great pictures. The narrative is very informative. Can't wait to order all the other books in the series!

My husband and I used this book to navigate the various anchorages around Desolation Sound and Discovery Islands this last summer. The descriptions, drawings, and photos of each area only cover a page to two pages but are very complete. The drawings illustrate the various areas one can anchor -- which was really helpful. We travel with a dog so we always looked for spots that gave us easy access to the shore for doggy visits. I would recommend this book to any traveler to this area!

Great book, a must if you are going to desk for the first time

Good information on anchorages and detailing rocks and shoals. I would recommend it to any boater.

We used this book for our charter boat experience while cruising Desolation Sound. The book offered valuable information for finding various anchoring and mooring locations. It was presented in a easy to read format.

I teach sailing and cruising skills, and the arrival of this terrific cruising guide is welcome. Beautiful photos and great graphic diagrams of harbors and every possible anchorage. Should be on every charter boat, but often is not, so if you are chartering inquire.
