Out Of The Box: The Rise Of Sneaker Culture

Synopsis

A groundbreaking traveling exhibition, *Out of the Box* showcases sneakers, from the mid-nineteenth century to sports performance breakthroughs, to present-day cultural icons. Drawn from the collection of the Bata Shoe Museum and significant private collectors, museums, and archives—including adidas AG, Converse Archives, Kosow Sneaker Museum, Nike Archives, Northampton Museums and Art Gallery, and Reebok Archives—this selection is richly contextualized with interviews and essays by design innovators, sneaker collectors, and cultural historians, creating a backdrop of the technical innovation, fashion trends, social history, and marketing campaigns that shaped the form over the past two centuries. *Out of the Box* includes sneakers ranging from an 1860 spiked running shoe, a pair of 1936 track shoes, Air Jordans I, II, III, the original Air Force 1, and early Adidas Superstars to contemporary sneakers by prominent figures including Damien Hirst, Jeremy Scott, Jeff Staple, and Kanye West. The book also highlights sneakers and prototype drawings that span the career of Nike sneaker design legend Tinker Hatfield, making this the definitive illustrated history of sneaker culture.

Very well made and well printed book. Looks expensive on a coffee table. I went to the actual exhibit at the Brooklyn Museum and then bought the book from later as a gift for my husband. He loves it. The content is great.

My guy absolutely loved this book, he is a sneaker head anyway. He said best gift this year & its showing @ The High Museum in Atlanta where we live & are members. So yes we're going!

BOOK WAS NOT IN PERFECT CONDITION. THE CORNER WAS A LITTLE SMASHED AND THERE WAS A SLIGHT TEAR IN BOOK JACKET. IM USING IT FOR THE INFO MORE THAN A COLLECTABLE SO NOT A BIG DEAL.

Great boom for your sneaker enthusiast

The book is lovely. And the partnership with the museum involved is very worthy. The binding, the articles, and the pictures area must for any sneaker enthusiast.

My 12 year old son was really happy to receive the book as gift. He was very excited that it included replication drawings of the designs.

I like

Awesome book and I'm satisfied
