Angels: Who They Are And How They Help--What The Bible Reveals

Synopsis

The Remarkable Truth about the Agents of Heaven People have long been fascinated by stories of angel sightings, yet many contemporary beliefs about angels are based on misconception and myth rather than solid, biblical truth. As he's done so brilliantly for decades, respected Bible teacher Dr. David Jeremiah uses Scripture to unveil the remarkable truth about these agents of heaven and their role in our world and our lives. What are angels? What is their role in God's plan? Are they present? Do they appear? Do they give us personal insight about our work and our worship? In this broad and thorough survey of Scripture, Dr. Jeremiah clearly and simply separates fact from fiction as it relates to angels. His enlightening findings are supported with illustrations and insights from prominent teachers, such as Billy Graham, Corrie ten Boom, C. S. Lewis, and more. Dr. Jeremiah's down-to-earth style guides readers around the hype about angels and directly into the "substance of things unseen!"

“Outstanding! As one would expect from David Jeremiah, this book reflects a theologian's concern, a pastor's heart, and a biblicalist's accuracy.” — Dr. Bruce Wilkinson, New York Times bestselling author “David has that uncanny ability to be deliberate without being dull. His words will deepen your gratitude for God's messengers in light of God's Word.” — Max Lucado, pastor and bestselling author “Dr. David Jeremiah shifts the focus from contemporary angel hype to the fascinating biblical truth about God's powerful messengers.” — Dr.

Very in-depth and interesting book. Found a difference of opinion in the area of guardian angels thereby 4 stars instead of 5. If you want a good insight of the heavenly angels this is a very good book.

This was a wonderful book. Dr. Jeremiah stayed within the bounds of biblical scripture throughout. He did not speculate nor spiritualize. He did not turn the angels into cute little babies with wings. We must remember that angels were created by God and they serve him. They are not figments of our imagination. I highly recommend this book. You will learn the truth about angels.

Very informative. This book pulls together facts from every book of the Bible and New Testament where angels are mentioned, so it is very helpful if you must get a lesson together.

Covers all needed information of angels who, when, where, and why for Jesus and believers. For all ages. God has everything in control.

Another great book written with scripture explained. I had never given thought to how many times, angels appeared to man, in Biblical history.. Easy read and well explained. Thanks, Dr Jeremiah.

Dr. Jeremiah really does a great job of putting the role of angels in perspective by using scripture to support. This book really clarified a lot of questions and misperceptions that I had about Angels.

I love Dr. David Jeremiah and was anxious to see what he had to say on the subject. I really learned a lot and thoroughly enjoyed the book. Very well written and easy to follow.

Very good book and as it should, points us to Jesus.
