## Customer Reviews

A Couple Cooks, Sonja & Alex, are a husband and wife from Indianapolis. One a writer and the other a photographer. Together they are a recipe developer couple who believes in the power of REAL GOOD FOOD for all.

Great to see ideas for each day . Lots of easy straight forward recipes. Hints for the week end are also appreciated. Great calendar.

Great daily calendar, I had the 2016 version and used recipes multiple times!

Nice quick and easy healthy recipe ideas in a daily page desk calendar.

Seriously? Radishes with butter and salt? April 26th. On so many levels...WRONG! Don't buy this. It does not make you look forward to turning the page for the next day. You'll be thinking "what other nasty "recipes?" can they come up with? As of yet there has been not one single recipe that I thought "ooh I want to try that!" But this one? Rip-off.
