Dark Rites: Krewe Of Hunters, Book 22

Synopsis

The witches, they are real.... A series of bizarre assaults is mystifying Boston police: an unknown attacker is viciously beating random strangers and leaving a note quoting an old warning about witchcraft. History professor Alex Maple was one of the victims, and now he's gone missing. Vickie Preston is certain that someone has taken her friend for malicious purposes. She's having blood-drenched visions that seem to be staining her waking life, and the escalating attacks suggest that a dangerous cult is at work behind the scenes - a cult so powerful that its members would rather die than be apprehended. Vickie is grateful to have Special Agent Griffin Pryce and the FBI's elite Krewe of Hunters on her side. She and Griffin are finding their way in an increasingly passionate relationship, and Griffin is desperately trying to keep her safe and the two of them sane amid the disturbing investigation. The search for Alex will take them deep into the wilderness of Massachusetts on the trail of a serial killer, and it will take everything they have to survive the ancient evil that awakens and threatens not just the man they're striving to save but their very souls.

Customer Reviews

Like more ghost connection and don't like these characters as well. Not very formed and he is over protective and she is not as smart as some before her. Have ordered next book however as I do love knew of hunters .

Always a joy to read Heather Graham's Krewe books. My only complaint is they don't last long

enough! Great story, characters keep you turning the pages over and over.

Always love reading Heather Graham's "Krewe of Hunter" books! And this was no exception. Very entertaining story and I am looking forward to reading the next one.

Heather Graham has done it again. The Krewe of Hunters has done it and tracked down another group of evil fanatics. Keep up the good work.

Anyone into the Krewe of Hunters needs to read this. Had me speed reading and sitting on the edge of my seat.

As always, I enjoy getting lost in Heathers weave of history, lore, drama and the how her characters lead you through the story.

Got my attention and kept it. With the right amount of paranormal and romance and mystery.

I'm halfway through the book and I can hardly put it down. It goes right along with the rest of the Krewe of Hunter series.
