Texas! Lucky (Texas! Tyler Family Saga)

Synopsis

The first book in #1 New York Times bestselling author Sandra Brown's beloved Texas! trilogy introduces readers to a close-knit family struggling to go on without its patriarch and to a man in pursuit of an elusive woman who may hold his future in her hands. Charismatic and easy on the eyes, Lucky Tyler is a born rebel. His romantic conquests have earned him his nickname, while his temper gives him his reputation as the family hothead. One night, he gets in a fight over a woman in distress, followed by a night of passion neither of them will soon forget. But the lady in question has a knack for disappearing. When news breaks of a suspicious fire at Tyler Drilling, Lucky is the prime suspect. Now the mystery woman is more than just the object of his obsession. She's his alibi. Devon Haines has tried her best to escape Lucky. Yet his bold pursuit and self-assurance are irresistible. In order to clear him of criminal charges, she must reveal her darkest secret; withholding her help could cost him everything he holds dear. Either way, she risks losing him forever. Loved the entire series and couldn't wait to get to the next book..I've loaned them to friends.

I love the book so far & can't wait to see what happens in the other two books.

At the start I felt the story was going to be too slow and boring but Sandra Brown takes her story through twist and turns, I was hooked. This book though not one of my top favourites is still worth reading till the end.

This was a good story and an easy read. Loved it.

This was a great book as were Texas Chase and Texas Sage! I loved the trilogy.

You won't be disappointed by this one. This was just great all the way through. With this Audio Book I had headphones in my ears all the time. I didn't want to put it down. All I can say it's another great

job by Sandra Brown and I am looking forward to my next reading by Sandra. 2 thumbs up and 5 out of 5 stars.
