Las Vegas Insideout (Insideout City Guide: Las Vegas)

Synopsis

The Las Vegas Insideout City Guide includes a 64 page Insiders Guide, compass, and maps to help you travel intelligently around Las Vegas. A classic Las Vegas itinerary suggests how to best enjoy this bustling city. 33 places, like the Casino Mega-Resorts and the Elvis-A-Rama Museum, are listed with descriptions, historical insights, and an alpha-numeric index corresponding to one of the helpful maps. 39 places to shop are identified and organized by categories such as Book Stores, Forum Shops, Souvenirs, and Wedding Hire. After each category, the guide lists the stores' specialties. 50 entertainment venues are covered with themes from the Casino Production Shows to Sporting Arenas; each described in detail with what it has to offer, and where it is located. The 39 restaurants included cover a wide range of ethnic tastes, as well as a price guide to rate the restaurants from inexpensive to high priced. Last but not least, this guide features a directory with all kinds of practical information, and everything you need to know to get the best out of this sparkling city.

Good help

I love all of the InsideOut books. After using my first one on a trip to Washington, DC, I purchase a new one for every place I visit. The small size makes it easy to slip into a purse or pocket, and the fold-out maps in each cover make getting around easy. It even has a little flip-up compass in the spine, so if you get turned around on city streets you can quickly orient yourself again. There is even

a handy pen in the spine.
