## Customer Reviews

All the Minecraft books are pleasurable. This story is about Steve who desires to conquer the Herobrine with his created strategies. The artworks of the characters presented in the story were decent and it certainly turns the situation

delivered. I read some people complaining about the images quality but in my opinion, this style is great and always remind the start of this fabulous series. The selection of the words was simple enough so a kind can easily grasp on that. Every Minecraft story contains a moral message so this one has too but to know this one you must purchase your copy of the book and read it fully. Thanks.

This book is very entertaining to say the least. It is basically a minecraft based comic and I have read something like this for the first time. The book follows the adventure of a very strong and likable lead character. The images used to tell the story are pretty awesome as well and though it would seem like a book kids would read, its still fun. Overall, I highly recommend this book.

I'm so happy reading minecraft comic books and this one is another adventure full of fun and thrill. I'm an avid reader and even if I haven't followed through all of its books, I always make sure I can read one during my spare time. This is not just for my own entertainment but I also get to share it with the kids before going to bed.

Fantastic minecraft book! My nephew had a great time reading and absorbing all the cute illustrations and text in this comics book! The characters are cute and the storyline is great for kids. Not the typical minecraft book, but its more entertaining and enjoyable for kids! Excellent book in my opinion!

Hi there. Its your loyal and not to sound braggyy (dromroll please),

I'm a fan of your books and I love the quality of the illustrations and the story line.

Yay. Copied of the famouse star wars movie. Fun ny Comics books ade super high quality and super cheap (although I'm using Kindle Unlimited). In these kind of books by you are basically about someone with Steve skin and he face a little protblem. Then imagines it based off the movie its from. Then Steve solves his problem I love your books and hope you make more. And can you put me on the list of awesome reviewers. Oh, and this is all comics. I have read all your books but not reviewed them all. Thats all I have to say, so I'm signing off!-( I'm a fan of your books and I love the quality of the illustrations and the story line ;

) I'm a fan of your books and I love the quality of the illustrations and the story line. P.S. Sry for any grammer/spelling mistakes cause' I'm using my Kindle

I love this book! I knew it was good since I love Star Wars and Minecraft.

Funny comics, you are a genius combining 2 of my most favorite thing in the world. [Download to continue reading...](#)

It's kid friendly and cute. If you have kids that like Minecraft and Star Wars, get this book. They'll love it.
