## **Synopsis**

Strap yourself into the cockpit for the "flight of your life" via the newest erotic romance from New York Times best-selling author Whitney G. Jake Weston and I met under a cloud of cliches: Boy meets girl. Boy charms girl. Boy screws girl. He was the sexiest, cockiest man I'd ever encountered, but I had no idea he was a senior pilot when we met. No idea we worked for the same airline, and he had secrets just like me. After a passionate night of unforgettable sex, I thought I'd never see him again, but when I did, neither of us could walk away.... We weren't supposed to be together, we definitely weren't supposed to fall in love, and yet our turbulent and forbidden love affair took on a life of its own. We knew we could potentially crash and burn, but what we had was so intoxicating and inescapable that we were both willing to risk it all. This is us. This is our messed up love. This is Turbulence.

Oh, how I love forbidden love stories! I also love Whitney  $G\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a},\phi$ s writing and the fact that she can write the best cocky yet broken heroes. I thought Andrew was an impossible jerk- well, Jake takes the crown when it comes to that title! Yet somehow, he $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a},\phi$ s still mostly lovable. He $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a},\phi$ s a stickler for grammar, a top-notch pilot, and an all around incorrigible man.I found Jake intriguing and downright hilarious most of the time. Jake doesn $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a},\phi$ t do relationships. In fact, he never has the desire to be with the same woman twice in a row. But things change when he meets Gillian.Gillian is quite the character. She $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a},\phi$ s making it on her own in NYC. Her family does not approve, but she doesn't

care. She $\tilde{A}f$  $\hat{A}c$  $\tilde{A}$   $\hat{A}$   $\hat{A}$   $\hat{A}$ ,  $\hat{c}s$  working part time as a housekeeper in a hotel, and also as a flight attendant. The way she and Jake meet $\tilde{A}f$  $\hat{A}c$  $\tilde{A}$   $\hat{A}$  it was epic. Jake and Gillian have a combustible attraction towards one another. Gillian knows getting involved with him would not be a good idea, but she can $\tilde{A}f$  $\hat{A}c$  $\tilde{A}$   $\hat{A}$   $\tilde{A}$   $\hat{A}$   $\hat{A}$ 

Turbulence! How happy I am to have finally read you. You gave me everything that I wanted. Turbulence is an erotic romance with heart. It's a novel with a pulse and I more than loved living it. It's a well-written, addictive, and sexy read that I will definitely be reading multiple times to come. If you look at Whitney G's bio on retail sites, you'll see it states that her "stories feature strong heroines, alpha males, and lots of witty banter." I can't describe this novel any better, except to add that her stories are just fun as hell. I was simply happy while reading this. No, that's a lie; I was cheesing so hard, positively giddy, if I'd read it in public then people would've thought me certifiable. I loved this story so much. Turbulence opens with Gillian, a flight attendant and Jake, a pilot in the midst of an emotional storm. We're thrown right into their drama and it's delicious. This novel doesn't feature a straightforward narrative; it jumps back to before Gillian and Jake meet, and sometimes alternates between the past and the present, with missing pieces in between that are revealed as we get to know the characters. I loved the plot structure. We all know the typical, linear set-up for romances: boy meets girl, boy loses girl, and boy gets girl again. This began in the midst of the emotional arc, so I was quickly invested, and so curious to see what the hell happened between these two explosive characters. And they are explosive. Apart, they're both interesting and likable, if not a little nuts. And together, they're fire. Turbulence has it's own unique style; though, it is somewhat formulaic, or more accurately, it's the Whitney G standard. Although, I'm not complaining because I've loved everything I've read by her, so I'll follow that formula anytime. What formula am I

referring to? Great chemistry, witty dialogue, (lots of) HAWT sex, an insanely sexy and frustrating hero, a heroine I can be besties with, a pretty engaging plot, if not a little ridiculous, and unstructured at times (though I loved the layout). This book was hard to walk away from, and the only reason I did was because I had to work hard for my money. Turbulence features a couple that may be (I'm still debating it) on Andrew and Aubrey's level. Gillian is smart; she $\hat{A}f\hat{A}\hat{\varphi}\hat{A}$  â  $\neg\hat{A}$  â,  $\varphi$ s honest with her emotions (sometimes hilariously crazy); she $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ s open; she $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ s funny; she $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ s weak for Jake, but strong enough to stand up for herself. She $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ s a good heroine. Jake is a good guy. He's a quick-tongued, unforgiving, emotionally detached \*\*\*hole, but he's a good guy. He $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ s smart and a smart \*\*\*, which made him a fun, and SEXY hero to fall for. Have I told you that I love smart guys? Give me brains with some underlying emotional damage and  $I\tilde{A}f\tilde{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ m golden. Jake is golden. Whitney G. had a tough task delivering a story that  $I\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ ve been salivating for for close to a year now, a book that I expected to read when I was different reader. My tastes have definitely changed, my standards have risen, but as long as she keeps writing stories that make me feel how this one made me feel (elated!), then I'll keep coming back for more. I love Turbulence. (I was going to say I love her, but I don't know her, and I'm trying to subdue my stalker tendencies.) I recommend.
