## Customer Reviews

Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.

Just what I needed to add a little color and beauty to my office at work. Each month's photo is unique and lovely. The only thing I noticed missing was a description of which flowers were pictured, but for me this made no difference in the calendar's value. Highly recommend to anyone who enjoys flowers and who still likes having a "see and feel" calendar as opposed to something on a phone or computer.

great photos/very soothing.

Beautiful photos, almost like having an extra window view (welcome in a nursing home). Plenty of space for entries, easy to read. Will buy again next year.

I love my new calendar. The pictures are so pretty and the squares are perfect for writing in!

Lovely calendar with big squares for writing in on each day - just what I wanted.

Very nice gift for my sister-in-law. Thank you.

beautiful pictures - am entering 2017 dates already!

Beautiful pictures
