Dead Silence (A Valkyrie Novel - Book 5) (The Valkyrie Series)

Synopsis

Ragnarok is upon the worlds, and the time to fight is now. They come from all of the Nine Realms. Dark Elves, Dragons, Frost Giants, Elves ... They all come to fight for Odin. And they answer to Valkyrie Brynhildr. Tricked by Loki, Bryn is now imprisoned and finding a way out is harder than it seems. Time is running out for those who fight for Odin and while Aidan's absence is felt by all, Bryn and her team know there is no time to waste. But Bryn is determined to find him, and stop him using every means necessary. From poisoned water to black goo, to an electronically monitored Bifrost, Bryn will use all the tricks up her sleeves to save Odin and the Nine Realms. The war is nature and there is disaster all across the Nine Realms. Ragnarok is here ... In this, the 5th, and final, exhilarating installment in the Valkyrie series, Bryn takes on Loki with her eye on bringing him to the Vigrid Plains, the site of the final battle of Ragnarok. From all across the world, Bryn and all her teams do all they can, battling natural disasters and murderous attackers to prevent the end of the world.

Customer Reviews

While this portion of the story comes to a conclusion, I look forward to a more adult setting for further adventures. I do want to point out that the editing could have used some improvement; there were a lot of grammatical errors. However, the mythology was great and I still recommend this series.

Totally awesome book!! Exciting and breathtaking!!

WOW. I love her books. I have all 5 of the Valkyrie Novels and love everyone. No spoiler alert, but if I was that kind of person. Well anything I could tell you about the story would only make you want to read these books for yourself. They are filled with the Nordic gods and their legends. I wish these books were on the recommended reading list in school as they would make learning, at least about the myths of the Nordic people, so much more pleasant.

Concluding the series is stirring in that as intriguing as the journey has been, you aren't ready for it to end. Enjoyed all of its twists, surprises, insights, dramas and characters. Great Read!

A good fantasy of Norse Gods and girl power, plenty of action and adventure, Bryn gets herself in and out of many dangerous and exciting situations. Good read.

Love, love, love this series. Nice to read something that is hard to put down. Every book is that way!

I loved the entire series!!! I'm very sad to see it conclude.

This is a great fantasy book series. I highly recommend it for light reading!
