Learn Spanish With Stories For Beginners: Learn Spanish With Audio, Book 2

Synopsis

An Effective Way to Improve Your Spanish Reading and Listening Comprehension Skills This book makes use of simple yet entertaining stories to help you learn Spanish. By covering a diverse range of grammar structures and vocabulary, and supplementing it with audio, you can improve your reading and writing skills, and even practice your listening and pronunciation. No Dictionary Necessary This book comes with a Spanish and English glossary embedded within the stories themselves, so there will be no need for a dictionary to help you with words you do not understand.. Improve Your Listening Skills in Spanish With the help of the audio, you can give your listening skills a boost as well as practice your pronunciation. Recorded by a professional voice talent from Madrid, Spain, the stories are narrated using a standard Spanish voice at a slightly slower speed than how actual Spanish people speak. This will allow beginners and low-intermediate learners to grasp the narration properly. Extra care has also been given to the recording of the audio to ensure a pleasurable listening experience for learners. Boost Your Comprehension With Useful Learning Aids and Extra Features Aside from the audio material provided, you will also find: Questions at the end of each chapter to promote comprehension. A summary of the story: After each chapter, you are encouraged to write a short summary of the story, and you can compare it to the provided summary to check your understanding.
