## Synopsis

\*\*\*A PHANTOM WARRIORS BOOK\*\*\*Known for his savagery, Pit Fighter Chrysus doesn't believe he's fit for human company. There's not a gentle bone in his body. But when King Hades gives an order, every Phantom Warrior listens. Feeling caged on Earth, Chrysus needs a distraction to pass the time until he can return home. He finds it in a small fight club, when he meets ex-Muay Thai champ, Stevie Cash. Stevie is unlike any woman he's ever known. The fact that she's able to drop him to the mat within minutes of meeting her only makes Chrysus want her more. Who knew being caged could be so much fun? Being considered 'one of the guys' has its advantages, especially when you run a fight club. Stevie Cash doesn't have time for emotional entanglements. She's too busy dodging attempts on her life and struggling to keep her father's gym afloat. The scarred warrior with a bad attitude just won't take a hint. Chrysus seems determined to worm his way into her life, into her heart. The closer he gets, the harder he is to resist. But when the truth comes out...only one fighter will be left standing. ## Customer Reviews

The story was amazingly with turns and twists that u would not see even if I told u. An alien warrior looking for a mate. Finds one in a very unusual spot, a fighters gym

I loved it, the dark lord was my favorite in this series so when I saw that Jordan was continuing this series with the Pit Fighters I downloaded it as soon as it was available. I was not disappointed what a great read. it was nice to hear about the dark lord again. Stevie & Chrysus story is hot and you will be please hurry and send me the next warriors story. Thanks Jordan another great one.

I am so glad that the phantom warrior series is continuing. I so loved this book and look forward to the next.

Even though this book is a short story it's very enjoyable the pit fighting was great. This story makes you feel that you were there I actually got involved in the story that I couldn't put it down, can't wait for the next book. Have fun reading.

I didn't think that Jordan Summers was going to continue the phantom warriors but I'm glad she did. I give it 5 out of 5.

Loved this book. The series is amazing. Waiting impatiently for more.....hopefully not for much longer.....fantastic is the only word I can think of to show how much I enjoy these books.....

This was much better than I expected. The story had more depth the I expected and the interactions between characters was much improved. It ended differently than most of the series.

A quick read but a good story with a otherworld warrior and a tough human women. He isn't the only fighter she is to. To claim his mate he has to fight for her. So enjoy the read !!
