# The Holy Spirit

## Synopsis

Teachings on the Holy Spirit, from one of America's greatest living theologians. All students of Scripture can benefit from this concise, practical study of the person and work of the Holy Spirit. All the doctrinal essentials are here, clearly organized and explained by the renowned scholar who prepared the Ryrie Study Bible. Avoiding confusion and trendiness, Dr. Ryrie sticks uncompromisingly to the revealed Word of God to answer questions like: What is Spirit baptism? What is the sin against the Holy Spirit? What does it mean to be filled with the Spirit? What about the spiritual gift of tongues? What is true spiritual power? This revised and expanded edition includes two new chapters on contemporary issues related to the doctrine of the Holy Spirit, new overview charts, handy subject and scripture indexes for quick reference, and an updated selected bibliography for further study.

## Customer Reviews

All students of Scripture can benefit from this concise, practical study of the person and work of the Holy Spirit. All the doctrinal essentials are here, clearly organized and explained by the renowned scholar who prepared the 'Ryrie Study Bible.'

CHARLES C. RYRIE (A.B., Haverford College; Th.M. and Th.D., Dallas Theological Seminary; Ph.D., University of Edinburgh; Litt.D., Liberty Baptist Theological Seminary) was a renowned author and scholar. He wrote numerous books, including The Ryrie Study Bible, Basic Theology, Balancing the Christian Life, The Holy Spirit, Dispensationalism Today, Revelation, Survey of Bible

Doctrine, and So Great Salvation, which rank among his best-selling titles.

The Holy Spirit by Charles C. Ryrie is a very compelling and authoritative study on the doctrine of the Holy Spirit. Mr. Ryrie is a very knowledgeable theologian and an intense Bible scholar. He possesses a unique ability to present complicated biblical concepts on the Holy Spirit in an accessible and acceptable manner. He also takes a prayerful and systematic approach in presenting all of the biblical teachings on the ministries of the Holy Spirit. Written in a mostly non-technical, conversational style, Professor Ryrie's teaching on the Holy Spirit is very organized and easy to follow. He carefully walks the student through the Holy Spirit operations in the work of creation and its work and power in the men and women of the Old Testament era. He carefully explains the differences between being baptized with the Holy Spirit and being filled with the Holy Spirit. He teaches in great length the truths regarding the different spiritual gifts and the gift of Tongues. This book is an excellent course of study for pastors and for the layman. It is also a tremendous help and source of material for the Sunday school teacher. It is also suitable for use as a textbook in Bible Colleges and Institutes. It is a good read!

This is a great companion to I Once Spoke in Tongues. Ryrie is a cessationist so this book is written from that point of view. I purchased this book for a course in Pneumatology. Ryrie is excellent at taking complex material and breaking it down for even a layman. I recommend this product to anyone desiring to know more about the Holy Spirit from a view outside the wacky teachings which are far too plentiful in our culture.

this is the most exhaustive study on the Holy Spirit I have ever read

This is not light reading, but is fact filled while still remaining understandable. It is a good scripture based teaching on the person of the Holy Spirit and I recommended it as reading to those I teach. If you want to learn, make certain to have a highlighter or two handy while reading because Ryrie's book is very rich!

I have a greater appreciation of the Holy Spirit as a separate person but also a concretized part of the Trinity our foundation for our belief in the Father, Son and Holy Spirit all being one at the same time. After reading this book you have no doubt of arriving at that conclusion.

Thank you.

Excellent book on the Holy Spirit. I bought it for a seminary class, but it is not just for good academic purposes... it's well-written and easy to read.

great
