Daily Reflections For Highly Effective Teens

Synopsis

Make the ultimate teenage success guide part of your life every day. Sean Covey's *The 7 Habits of Highly Effective Teens* has helped hundreds of thousands of teens find a path toward success and personal fulfillment. Now, with *Daily Reflections for Highly Effective Teens*, comes a book that will inspire teens to understand, appreciate, and internalize the power of the 7 Habits. With this day-by-day success guide, teenagers will learn how to improve their self-image, build friendships, resist peer pressure, achieve their goals, make important decisions, and live healthier, more self-confident lives. Packed with great quotes, excellent ideas, and inspiration, Sean Covey's warm, insightful, and humorous guide gives teens a road map for surviving and thriving in adolescence and beyond.

Sean Covey is Executive Vice President of Global Solutions and Partnerships for FranklinCovey. He is a New York Times bestselling author and has written several books, including *The 6 Most Important Decisions You'll Ever Make*, *The 7 Habits of Happy Kids*, *The 4 Disciplines of Execution*, and *The 7 Habits of Highly Effective Teens*, which has been translated into twenty languages and sold over five million copies worldwide.

This book is the perfect example of why you should look at the dimensions of things before you order them. It is a smaller book, with quotes from the 'ACTUAL' work by Sean Covey, referencing the page number of the original book. It was a great middle-school graduation gift for my son, but it only has a few lines for each entry. So make sure this is what you are looking for before you order it. :)

I use this book to prompt my students in journaling. We are a Leader in Me School, but it's a challenge for middle school kids at times. So many changes... I love how the reflections cite the page from the 7 Habits book the specific reflection comes from. I will often include this so students can read the entire section if in need of a refresher. It really has provided some deep thinking and personal reflecting. Not just for my students, but for me too!

This is a great book for teens that get tired of their parents constantly telling them what to do, after all, what teenager doesn't already know everything? lol My son is a 15 year old athlete, and at this point, think I'm a bit dated in my beliefs but if someone else tells him the exact thing his mom tells him, he then becomes a believer, lol. This book validates my philosophies and reinforces why I ask my son to do certain things. He says the book is common sense but he does read it and is engaged. Parents now have back up! Most of our thoughts are published in print in this book and there is some truth to what we say.

loved it

I found this book to be as the title states Reflective and informative, with great 'common sense' life instances included, however it is, as many other books of this nature, only as good as, and will help as much as a 'Parachute' that only works when it's opened! One has to believe and implement what one reads!

Love Covey!

He enjoyed the humor and the simple ideas that seemed to give him new resources for finding his center and being a happy person. He now uses it like a reference book. Good cartoons too. I think Covey should put out a just a cartoons book for the same age group. Thanks Sean Covey!

This book is a companion to the actual book for teens. Each day there is a sentence or two that helps to solidify the habit for the day. The page where the description of the habit can be found in the actual book is also referenced on each page. It's a good way to either remind yourself of the habits or have very concrete ways to reflect on them daily.
