Vampire Knight: Memories, Vol. 1

Synopsis

Immortal tales of the past and present from the world of Vampire Knight. Vampire Knight returns with collection of stories that delve into Yuki and Zero's time as a couple in the past and explore the relationship between Yuki's children and Kaname in the present. After a fierce battle between humans and vampires, a temporary peace was established, but Kaname continued to sleep within a coffin of ice. Yuki gave Kaname her heart to revive him as a human being. These are the stories of what happened during those 1,000 years of Kaname's slumber and at the start of his human life.

Customer Reviews

Matsuri Hino burst onto the manga scene with her title *Kono Yume ga Sametara* (When This Dream Is Over), which was published in *LaLa DX* magazine. Hino was a manga artist a mere nine months after she decided to become one. With the success of her popular series *Captive Hearts*, *MeruPuri*, and *Vampire Knight*, Hino has established herself as a major player in the world of shoujo manga.

This is amazing. I'm so glad they are continuing *Vampire Knight*! Can't wait for volume 2 to be released. Interesting continuation defiantly worth it. Plus overall manga is usually \$9.99 and its listed as \$7.21 as a new release! Love it!

no regrets! if you liked or still love the series these short stories are great, it also adds the children Ai and Ren! REALLY ENJOYED AIDOU AND SAYORI WAS HAPPY TOO SEE ALL THESE CHARACTERS AGAIN AFTER SO LONG LOL

It was interesting to see Yuuki and Zero and everyone live their lives after Kaname. I wonder if there will be more.

Vampire Knight Memories is a collection of short stories meant to give more information about what happened after the series ended. Yuki waited a thousand years and then gave her heart to awaken Kaname - and this new series will give insights into the characters as well as answering questions about how the future came to be about during that time. The first story is Sayori's tale of interacting with Yuki - from their initial meeting thinking Yuki quite stupid to the day Yuki brings her and Kaname's new baby for everyone to meet. The second story is about Sayori helping Hanabusa look for a cure to turn vampires into humans. The third story is about Yuki/Kaname's daughter Ai as she interacts with Ruka and Akatsuki who have deepened their relationship. The fourth story is about the time after Kaname awakened - with no memories except fragments from Yuki's heart. It comes from the viewpoint of Seiren and her impressions of Kaname. The last story is a quick introduction to Yuki and Zero beginning a relationship. In all, the stories do bounce around quite a bit though daughter Ai is featured in nearly all of them. Reviewed from an advance reader copy provided by the publisher.

If you love Vampire Knight (especially if you are a fan of Zeki) then you're going to love this! I'm so happy Hino decided to continue on and give us more fillers. Her art as always is gorgeous, and her story once more has the usual flavor of funny, serious, and sad. These stories are spanning over many thousands of years, so per chapter, it'll jump forward or backward. This does not bother me, it has been easy to keep up with the present (Kaname, Ai, & Ren) and keep up with the past. We finally get to see what happens to all our dear characters, and get to know what happened during all that time. Personally I found the end of Vampire Knight a bit rushed, so this is what I have been hoping for. There will be a volume 2 (and from the sound of it, perhaps more) and I'll definitely be getting the next in the series.

I am hoping that since it has a number volume that maybe they are planning on releasing more to this. It's a collection of stories told from different perspectives.
