New Orleans: A Photographic Tour (Photographic Tour (Random House))

Synopsis

New Orleansâthe Crescent Cityâis Latin maÃna, French joie de vivre, African-American effervescence, Italian zest, and Uptown Creole pomp, all stirred with a dash of southern indolence into a savory cultural gumbo both fascinating and unique. The historic sights and rhythmic sounds, tantalizing tastes and exotic aromas of old New Orleans linger with visitors long after they have left the languid Queen City of the South. A city of lively and varied charms, New Orleans offers a wealth of pleasures for the senses. From the historic French Quarter, with its ornate wrought-iron balconies, triple-spined St. Louis Cathedral, and elegant bistros to the ultra-modern Louisiana Superdome; from the peaceful contemplative beauty of the Ursuline Convent to the madness of Mardi Gras, with its colorful floats and zany carnival krewes; from Bourbon Street jazz to the St. Charles Avenue streetcar; from the famous above-ground cemeteries to the wildly popular buggy tour; from the feasts of St. Joseph's Altar to fabled Antoine's, Commander's Palace to the CafÃ© Du Monde; from Tulane and Loyola Universities to nearby Parlange Plantation; from the Jean Lafitte Blacksmith Shop to the Voodoo Museum to Preservation Hall; from the statue of Louis Armstrong to the monument of Robert E. Lee; from the Riverwalk shopping pavilion to riverboats moving lazily along the Mississippi as it slowly rolls onâNew Orleans, A Photographic Tour, a dazzling portrait in words and pictures, perfectly captures this city's style and verve. New Orleans: A Photographic Tour is the perfect memento for anyone who has ever visited the city, and a peerless gift for anyone who wishes to savor the Big Easy's special tang and allure.

I was Pleased with the service and the item

This book arrived in new condition though it said used. So I'm very pleased. It has so many beautiful photographs of New Orleans, one of my favorite cities. The history of New Orleans is on several pages at the beginning, and quite interesting. I'm even using it for decor display ! It came quickly also.

Great price and well put together!

I have always been a fan of New Orleans, rich with culture. I was so sad to see the devasation caused by the recent hurricanes. When I was browsing the site I found this book. It is a beautiful book full of pictures, some full page of the beautiful people and places there. I do not live close to New Orleans and have no idea just how widespread the damage is but I hope that the history of

New Orleans can recover. I would recommend this book to anyone interested in this city which is unique and unlike any other in our country.

What a wonderful book for someone who has grown up there.

This is a nice book. The pictures are nice and bright. This book also gives you a history lesson of the area.

Exceptional

This book delivers what it promises. I was lucky enough to take a vacation 2 years ago to New Orleans. This book has so many beautiful pictures of New Orleans. It is the best souvenir for me for each picture tells a story about New Orleans. It may be small, but so is the price . Each one of its pictures is truly worth a thousand words.
